TEASE!

THIS · MONTH · IN · CLUB

We don't just throw Club together, you know. If we did, it would look even messier than it does now. No, it's a highly technical and involved process, which takes years of training and patience to master. It goes like this: first of all, I get this big piece of paper with loads of squares all over it. (In the language of the trade, this is technically known as "the big piece of paper with squares all over it" – or TBPOPWSAOI for short.) Each square represents a page in the magazine. Then I get together all the things I'm going to put in the mag that month – though, as most of the writers and photographers deliver everything a week late, I usually have to imagine the material. Then I write in each square what I'm going to put in it. Then I go to the pub, and let the subs and designers do what they're paid for.

As you can tell, it's a laborious and demanding process. What you don't need, when you've done all this hard labour, is some smart-arsed minion interrupting your pint of extra-strong Belscherlager to complain about the results.

Dominant Dowse burst into the Wellie, shoved the TBPOPWSAOI under my nose, and said "We can't · have this, Bleach. It's a bloody mess." I decided not to pour my pint down her cleavage – for one thing she had her whip with her, and for another they stop you £1.28 for it in Soho. So I asked what the matter was.

"There's NINE girls in here, Bleach," she said menacingly. "You can't put nine girls in. It's just too much. What with all those trembling thighs, bouncing bosoms, brazen bottoms and pulsating pussies, there's hardly room for anything else – except those cock-stiffening reader's confessions and *even more* girls getting rampantly randy in the torrid *Talking Blue* section."

She doesn't half talk funny sometimes, Dowse. Perhaps she's been in this business too long. Anyway, I wasn't having any of this.

"Look Ms *Assistant* Editor," I said. That told her, for a start. "Our readers have a right to as much top-class crumpet as I can get my hands on. It so happens that nine really stunning girls dropped by the office this month, so nine girls is what they will have. Plus those naughty ladies in *Talking Blue*. Plus the *Come Again* girl. Plus any others I happen to fancy popping in. You know why? 'Cos I'm the bloody Editor, that's why.

Impressive, eh? Another blow struck for male liberation. Unfortunately, it wasn't as strong as the blow from her whip that struck the small of my back. The resulting fight means I'm now banned from the Wellie.

So you see, it is a tricky process, but in the end it's all about teamwork. You've got to sort these differences out in the proper manner. So when I threatened to stop Dowse's fetish clothing allowance, she saw my point of view. Nine girls it is. Enjoy them – I went through a lot to bring them to you. *–Ed* ♣

Cor blimey, you don't half like these arty sets, don't you? Bettina certainly caused a sensation in Vol 18 No 2, but we reckon it had more to do with her luscious curves than any of those fancy camera angles. They certainly pleased more than a few people, including Peter and Stan of Rhyl, Carl of Dulwich and an anonymous plumber from Grimsby who wanted to "see that wonderful S bend she does again". French Letter

I started the New Year off with a bang by going along to my local newsagent to purchase Vol 18 No 1 of your magazine. This mag was excellent as usual. But there was one item that really set my organ to work. This was the *Couples Confess* from Mandy in Swindon. Without doubt this was one of the horniest stories you've ever featured. What made it even sexier were the pictures that accompanied it.

You *must* feature the full-bosomed, silk and lace clad young lady again as soon as possible. You should also feature more pictures of her in those sexy undies! Silk French knickers – or any French knickers for that matter – are an incredible turn-on for everyone.

But I implore you to feature that long-haired beauty again – and soon. – *Anon, London*

We'll try, mate. – Ed

Behind the Times

I must congratulate Club for Vol 18 No 1. I have been a reader from Vol 17 No 1 and I have *never* been more turned on by an issue of your mag. It is quite clear your photographers responded to the numerous pleas for loads of rear shots.

In your *In The Bag* section on page 15 you have an inset photo of an absolutely amazing rear view of a gorgeous model wearing tight, skimpy pink knickers. Have you ever had a full photoset of this delicious woman?

I'm sure I speak for most Club readers when I say that photos of that nature (rear shots of a gorgeous model with her knickers on) are the biggest turn-ons ever. I've been wanking myself senseless over that one photo and I can't get that woman off my mind! Please, let's have a full photoset of her in Club as soon as possible with loads of rear shots of her wearing stockings, suspenders and skimpy knickers.

Vol 18 No 1 was definitely a great way to start 1989! Keep it up! – *CR, Bristol*

We're all too pissed to remember whether we've actually featured the above mentioned angel in a full photoset before or not. So if anyone recognizes her, let us know so that we can get her (and her rear) to return!

Bet on Club!

Please, please, please print my Top Ten in your January or February editions. I have a £50 bet with my two business partners that you will print this letter and my ten favourite celebrities. The Ed had me up in his office the other day. It wasn't very pleasant. "You're getting behind schedule with your copy, Buttock," he told me shortly. "But I thought the idea was for me to get behind it," I said. "Right behind. Behind the behinds." He didn't look too impressed.

"Just shut up, Buttock," he growled, "and get on with it."

Close Shave

Last time I wrote to a men's magazine (not yours, I hasten to add) it was to complain about the number of models who were not showing their vulvas or even their pubic hair.

Happily on this occasion I am writing to say how stimulated I was by Vol 17 No 13. I could hardly believe what I was looking at when I saw Donna exposing her shaven vulva. The first couple of pictures were provocative enough, but when I saw the open leg shots my shaft started to harden straight away.

Then I could not believe my luck when I discovered Kascha at the end of the magazine with her sex shaven in a like manner. Both of these photosets are exactly

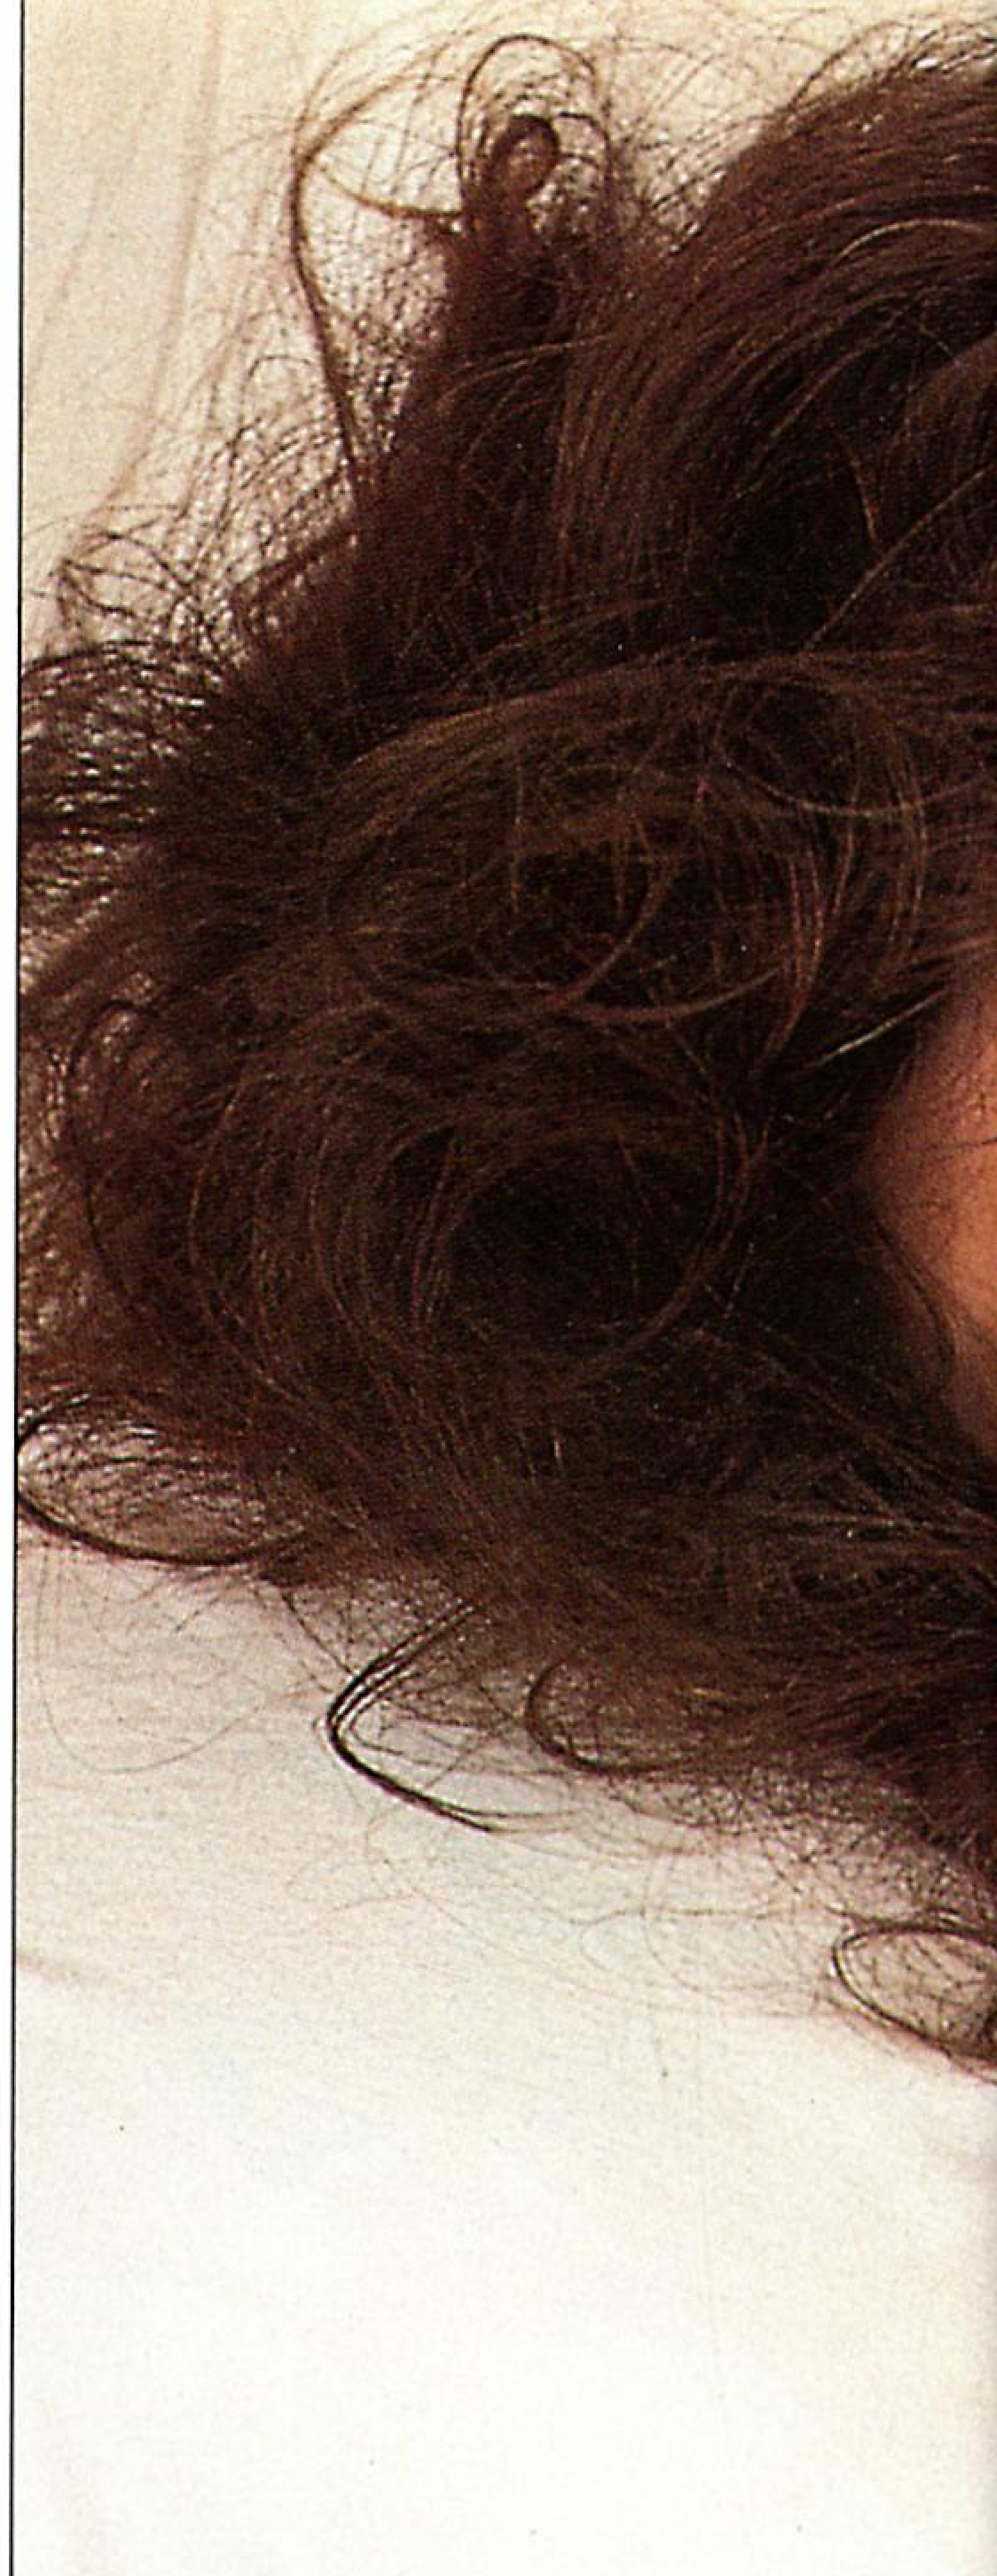
We promised you more of Julia, our Club Girl of the Year, so here she is in stunning style. To be honest, life's felt a bit empty without

Julia's incredible boobs and soft, brown curls to dwell on. ''It makes me feel very horny now that I'm always recognised in the street, especially knowing that the only time they've seen me before I've been naked in Club. It sends pulses of pleasure through my pussy as men look at me.'' The response from our readers has been pretty amazing too! We've had a constant stream of letters



pleading for the first lady of pleasure to spread her fabulous female form on these pages again.

''It's very flattering knowing that so many lovely men find me so sexually exciting. I wish I could thank every one of them in my own very special way. I only hope that I'll always be this popular with the guys.''

We don't think there's any doubt about that! ♣

what I, and I'm sure many others, are looking for in a men's magazine.

Shaving the pubic hair entirely or removing all the hair from around the slit is now quite common and your magazine reflects this trend in a most provocative yet tasteful way. I hope that you will be able to make these kinds of pictures a permanent feature of your magazine. – *JP, Brighton*

We're all shaving fans here, JP, so you can bet we'll be showing as many shaven maidens as we possibly can. – Ed

Come On, Camille!

I know you have had loads of letters on this subject, but I really had to write and put my oar in. I bought Vol 17 No 12, having been attracted by the incredible cleavage of the sensual cover girl – who turned out to be the amazing centrefold Camille. I don't think even Club has ever featured such a stunner. Even before I opened the mag I was fantasizing about the cover photo, where Camille seemed to be inviting my hot cock between her squashy tit-mounds.

After coming profusely over Camille's bosom (hastily wiped off the cover for future use!), imagine my delight and my hard-on when I found Camille inside too. My only wish is that you could show her again, but this time in sexier gear than the white blouse – in fact that yellow top and mini-skirt on the cover give me the collywobbles every time I look at them, even though the beauties of Camille's nipples and moist cunt are hidden from view.

Please let's have more of Camille, this time showing her squeezing those cock-wanking tits out of something tight, playing with them and giving us more of that come-teasing, sexy, come-on look, and pouting those pink lips. I can just see them swallowing up my jerking cock.

As you can tell, I'm getting rather carried away over Camille, but she is something special! – *Alan, Cheshire*

And even as we speak, a search party has been despatched in search of the Best Chest in the West.

TOP TITS

Good morning, this is your Captain speaking. The tit you have boarded will be cruising today at an altitude of approximately four feet six inches. We anticipate some turbulence later on, as the increasing heat and friction stirs up the moisture in the area a little below us. In the meantime, please relax and enjoy the comfort of your well-sprung, roomy accommodation. If you have any requirements that are not already catered for, please press the button provided for attention.

I must ask all passengers to pay attention to the safety drill, which will shortly be demonstrated. It is essential that you know how to remove yourself from the tit in case of emergency.

I hope you enjoy your trip on this British Pairways Jumbo Jug. We hope you will be flying with us, or our sister tit, when you are next considering a good boob-chew. – *Captain Gary Garbonza* ♣

Slippery When Wet

I don't regard myself as a lingerie fetishist at all, but since I bought my girlfriend some pure silk underwear, our sex life has taken off like a bomb. My girl had never had pure silk before, so the beautiful sheer feel it had came as something of a surprise to both of us.

I'd bought Clare some French knickers, a scanty bra, a short camisole and, of course, stockings and suspenders, all in beautiful, black silk. When Clare tried them on for me it had a sudden effect on her.

"It feels sort of . . . sexy,"

O'REILLY'S BOOK OF RECORDS

Yes, it's the return of ***Declan O'Reilly*** *with that bible of the bizarre, the batty and the just plain bollocks. This month, he gets an editorial helping hand from* ***Boris McSquirter.***

And it's goodnight from me and it's goodnight from him, as I have absolutely no pleasure at all in introducing this month's crop of completely insane and irrelevant facts to you all. I've been all over the globe just recently to find them all, and what a bizarre world it is we live in, for sure.

On my world travels I was unfortunate enough to come across THE MOST HYPOCHONDRIACAL URBAN GUERILLA deep in the Central American jungle. Between May 1986 and January 1987 Chezare del Pesto don Fuego, a South American activist, cried off sick from tactical urban warfare no less than 148 times. Each time he offered a separate excuse, ranging from Pre Combat Tension Syndrome to an upset tummy – and not once did he have a note from his doctor. (*Editor's note: He now works for his Uncle Pedro in San Salvador, making plaster casts of Rod Stewart's nipples for export to the Third World. – BMcS.*)

Moving on quickly from these strife-torn corners of the globe, I found myself in Cleveland, Ohio, where in no time at all I encountered the holder of the world record for the FASTEST PREMATURE EJACULATION. The current holder is a gentleman by the name of Bartle Spasm, who

she stammered. ''The silk is making my skin tingle, and I can feel my pussy getting damp,'' she said, almost as if she wanted to arouse me even more. She looked at me in a way I hadn't really seen before. ''Come and have a feel,'' she told me, and drew me to her, putting my hands on the silk of her camisole. I could feel the heat of her body beneath and sensed the urgency of her sexual feelings – we had never simply *wanted* each other so physically before. Clare then stripped me as I stood there, and clung to me with her silk-clad body, pressing her lovely tits hard against me.

We rolled on to the bed and started fondling each other all over. The feel of her silk stockings as she wrapped her legs around me was sensational, and she was moaning as I slipped her tits out of the bra cups and started rubbing the silk lightly over her nipples. When I ran my hand over the black silk covering her pussy

continued on page 28

can shoot his load quicker than he can get an erection – in an incredible 0.4 seconds. In an exclusive interview, he revealed that ''just the words cleavage, blowjob or juicy fruit send my porridge gun into paroxysms of uncontrollability.'' (*Editor's note: Mr Spasm is also the holder of the record for the* WORLD'S STICKIEST UNDERPANTS. – *BMcS.*)

We all know what bastards postmen are, so I didn't have to get my passport out to find the outright winner of the title of the WORLD'S MOST IGNORANT POSTMAN. Up until 1984 this was held by Yorkshire postie Albert Topothill, who thought that chocolate pudding should be entitled to vote in the General Election. However, he was usurped in that year by Staffordshire letterman Lawrence Dunderhead, who in tests could not distinguish the difference between a letter box and a cat's bum hole. (*Editor's note: The cat used for this test was an ordinary household moggy.– BMcS.*)

And finally, we have discovered THE MOST FOUL MOUTHED MEMBER OF THE ROYAL AUTOMOBILE CLUB. Splitter Bumfuck, a retired double glazing magnate from Hampshire, has been reprimanded 97 times for ''the unnecessary use of bad language'' during his 15-year membership of the RAC. Bumfuck claims that he knows ''more words for cunt than most people have had hot vaginas'', and in one record-breaking incident he swore continuously for three hours and 27 minutes after his BMW burst a radiator hose on the Basingstoke turnoff of the M4. Said Bumfuck after his last arrest, ''Wank willy poo poo jobby shit fuck piss.'' The representative of the RAC itself refused to comment.

And there's not a lot I can add after that, so it's the top of the morning from Boris and myself. ♣

TAPED!

*Luscious Lolitas, tonsil polishing, hookers with big sticks and Hugh Hefner. It can only mean one thing – in his quest to boldly come where no man has come before, **Allan Bryce** has gone stark raving bonkers . . .*

As one of the world's leading experts on adult movies I frequently find myself faced with some real brain-teasers. For example, just this past month I've puzzled over questions such as whether trying to make love in a field of corn goes against the grain, and what is the penalty for bigamy (that was easy to answer: two mothers-in-law).

But I've been warned by the Ed not to overdo my dippings into The Ted Rogers Joke Book this month, so let's get straight on with the red hot home screen action. And what better place to start than with **Lolita Strip Teaser**, a film about the erotic fantasies of a 20-year-old schoolgirl. Not-so-young Lolita is only a farmer's daughter, but she can't keep her calves together, especially when confronted by her hunky teacher. Instead of writing out a hundred times ''I will not get my tits out in class'' she does a tantalising striptease act for her goggle-eyed instructor.

This is yet another cautionary tale from our old pal Mike Freeman, a fellow who churns out sexy movies so quickly that Kodak (and the censor) can scarcely keep up with him. He's also just made something called **A Day Down In London** which follows a streetwise Northern youngster named Monica on a have-it-awayday to the fleshpots of Streatham. Joining the real-life prossies who flaunt their wares in this lively London suburb our young heroine soon picks up a punter willing to pay a small fortune to spank her pert behind. Then along comes director Freeman himself in dirty raincoat and flat hat, and we're treated to as graphic a bit of tonsil-polishing as I've ever clapped my viewing glasses on. I reckon if Hitchcock had done this sort of cameo he would have passed on 20 years sooner.

Moving upmarket now we come to **The 1989 Playboy Playmate Video Calendar**, which was made by the esteemed Playboy king himself, Mr Hugh Hefner (it says here). As one might expect this is a well produced tape featuring some beautiful women, each narrating their likes and dislikes while stripping sensuously for the camera. Shot in a glossy pop-promo fashion with lots of black and white footage (one girl dreams she's back in Casablanca with Bogie and Bergman) this video deals in fantasy world glamour – it's very unlikely that you'll ever see females like this in the public bar of *The Hand and Racquet* on a Friday night!

Without meaning to boast too much, I did manage to take one of them to tea at the Ritz recently (yawn). The Playboy organisation flew Playmate of the Year Sherry Arnette over to London to publicise the tape and be interviewed by certain well known journalists. In the end they couldn't get any well known journalists so I did it instead.

I found Sherry's company extremely intoxicating (pun, get it?), and was pleased to hear that she was well on the way to making her first million (or is it millionaire?) and that she felt she was doing something very meaningful by taking her clothes off for such a prestigious publication. I didn't score of course, but I did come away with a doggy bag of salmon sandwiches to nibble on the tube.

Afterwards all it took was one quick phone call to 'Hef' to organise an exclusive competition to give away

Tulips and two lips

TAPED!

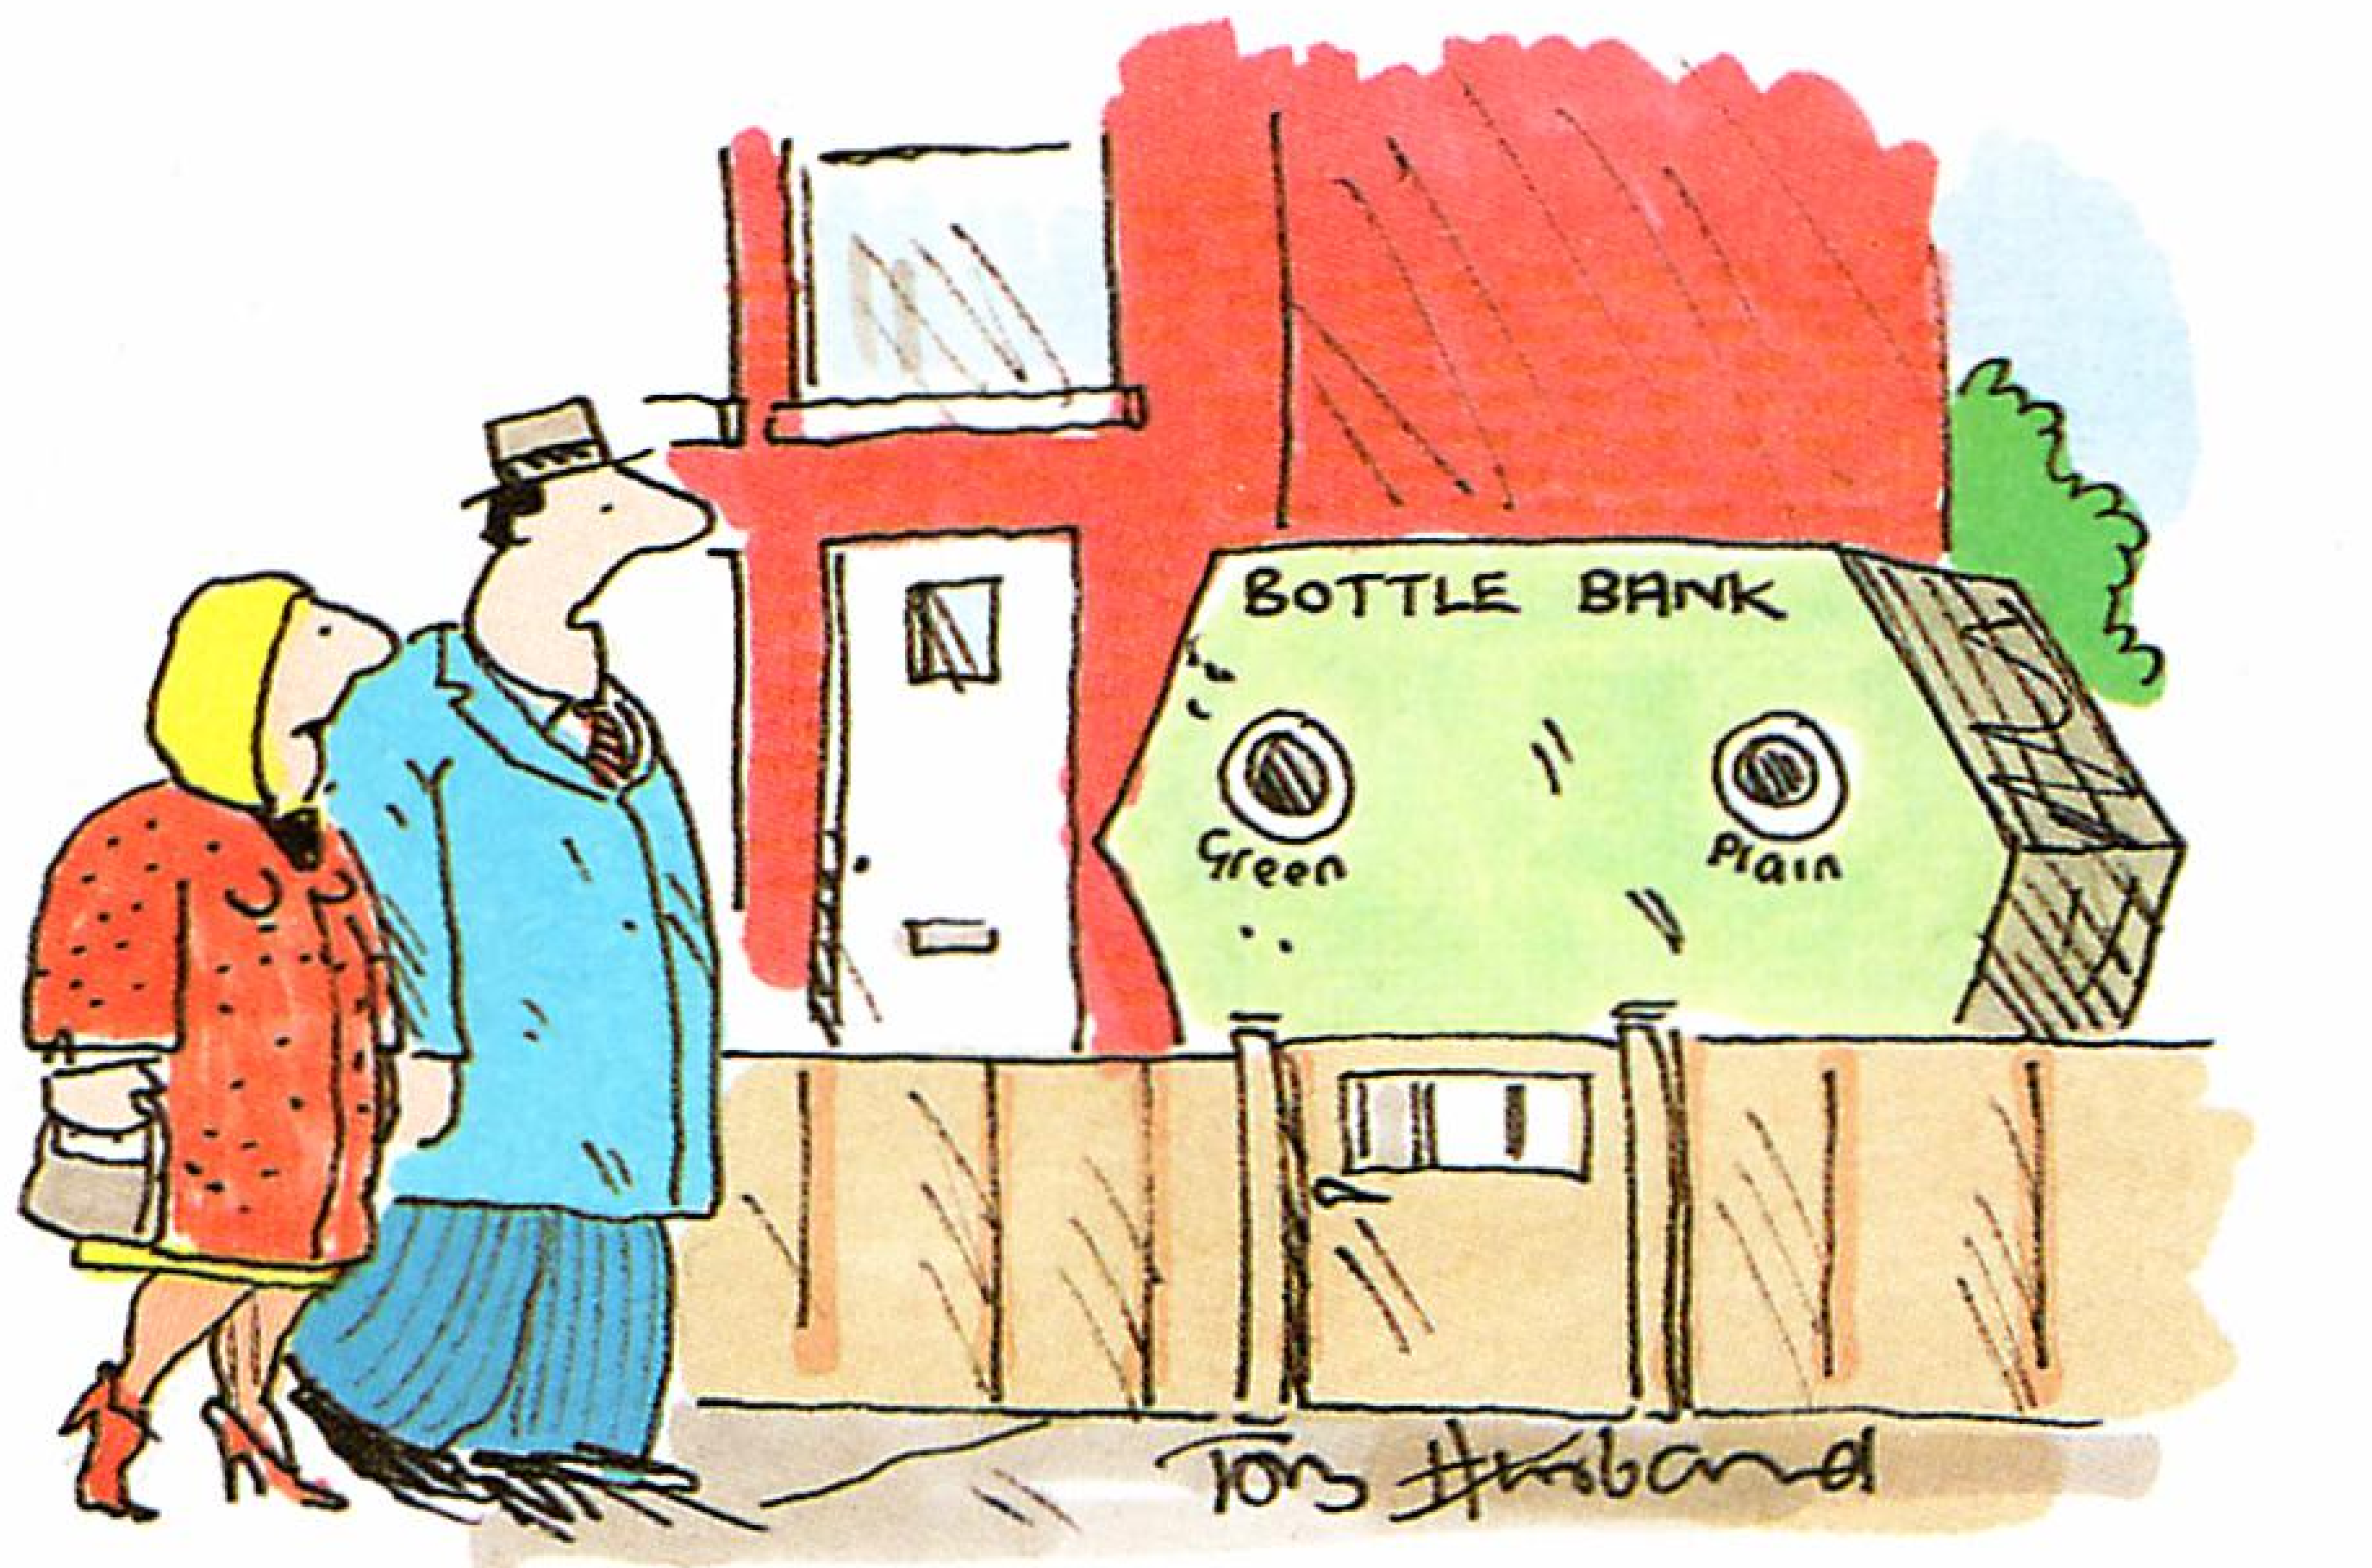
some videos. "Sure, Big Al," he said (he always calls me that). "Why the hell not?" Why the hell not indeed? After all, they just gave away all the Playboy gambling clubs . . .

Next up we take a trip to **Passion Island**. Described on the cover as "the Place to go for Sin and Sex", this seems just my idea of a bargain break. It's one of those gorgeous tropical paradises where you can't get up the beach for Bounty bars and nubile young maidens waiting to get rid of the wrappers afterwards. It's the sort of idyllic retreat one imagines has remained untainted by shabby commercialism: where the happy natives sit around all day shaking their coconuts to the sound of ethnic ghetto blasters and eating delicacies from the local McDonalds. The taste of Paradise, eh?

The story begins in Paris, where we get an Eiffel of two lovely females posing for a smooth photographer named Jerry. Just as things are getting interesting, the phone goes – yes, you've guessed it, it's the censor asking them to get on with the story if they want to keep that 18 certificate! The next thing you know they are on Passion Island, and Jerry is clicking off like crazy (filthy beast) while the girls drape themselves over a selection of tame looking elephants. These are acceptable to the censor because they are not totally nude – they've got trunks! *(One more like that and you're fired, Bryce – Ed.)*

Of course the hard day's shooting eventually comes to an end, and then, rather than play the native version of Trivial Pursuit, Jerry takes the two girls into his darkroom to see what develops. How many exposures can one man handle without damaging his sprockets? It's too dark for us to see, unfortunately.

It's hard to believe I know, but the story then turns even more dramatic when Jerry takes some pictures of a secret voodoo ceremony where the participants are subjected to inhuman tortures (as to what these are we are never shown, but from the crazed look on their faces I would imagine they have been forced to watch endless re-runs of *3-2-1*). Can our hero rescue them before their minds are totally destroyed by a follow-up helping of *Bullseye?* I won't spoil it all for you by revealing the ending. Suffice it to say that it involves lots of people dancing with no clothes on, none of them Jim Bowen. See you next time, and remember – you can't beat a bit of bully . . . ♣



Apparently they've got a drink problem.

MOTORVATION

*We reckon **John** "Whinge Machine" **Masham** is pushing his luck. Writing about getting the sack is asking for it . . .*

Ever since my attack of autophobia a couple of months back, this column has become a right pain in the A. *(You're not kidding – Ed.)*. In the old days all a chap had to do to earn a crust was spend a quick half-hour in front of the typewriter knocking out a few well-turned if ill-considered phrases about crankshafts and whatnot (or, failing that, a simple rehash of last month's effort), and providing it was in on time and made some sort of sense, the Editor would hand over the loot. Simple. Nowadays, though, it's a whole new ballgame, requiring as it does the thinking-up of a new idea every single month in exchange for the customary fistfuls of crinkly blue ones. It's a bastard.

Of course, new ideas are not arrived at easily (particularly if you've got a month to think of one) and this is where a good Editor comes into his own. (In the absence of a good Editor, we at Club have to rely on the one we've got – but the principle is pretty much the same.) His job is to gently encourage the writer, to focus the hack's confused mind, and to softly tease that all-important idea out of him.

The Editor's gentle encouragement this month came by phone:

His Master's Voice: "Masham? Where the fuck's your piece?"

Masham, the Pro: "It's not due for a fortnight."

HMV: "It was due on Thursday . . ."

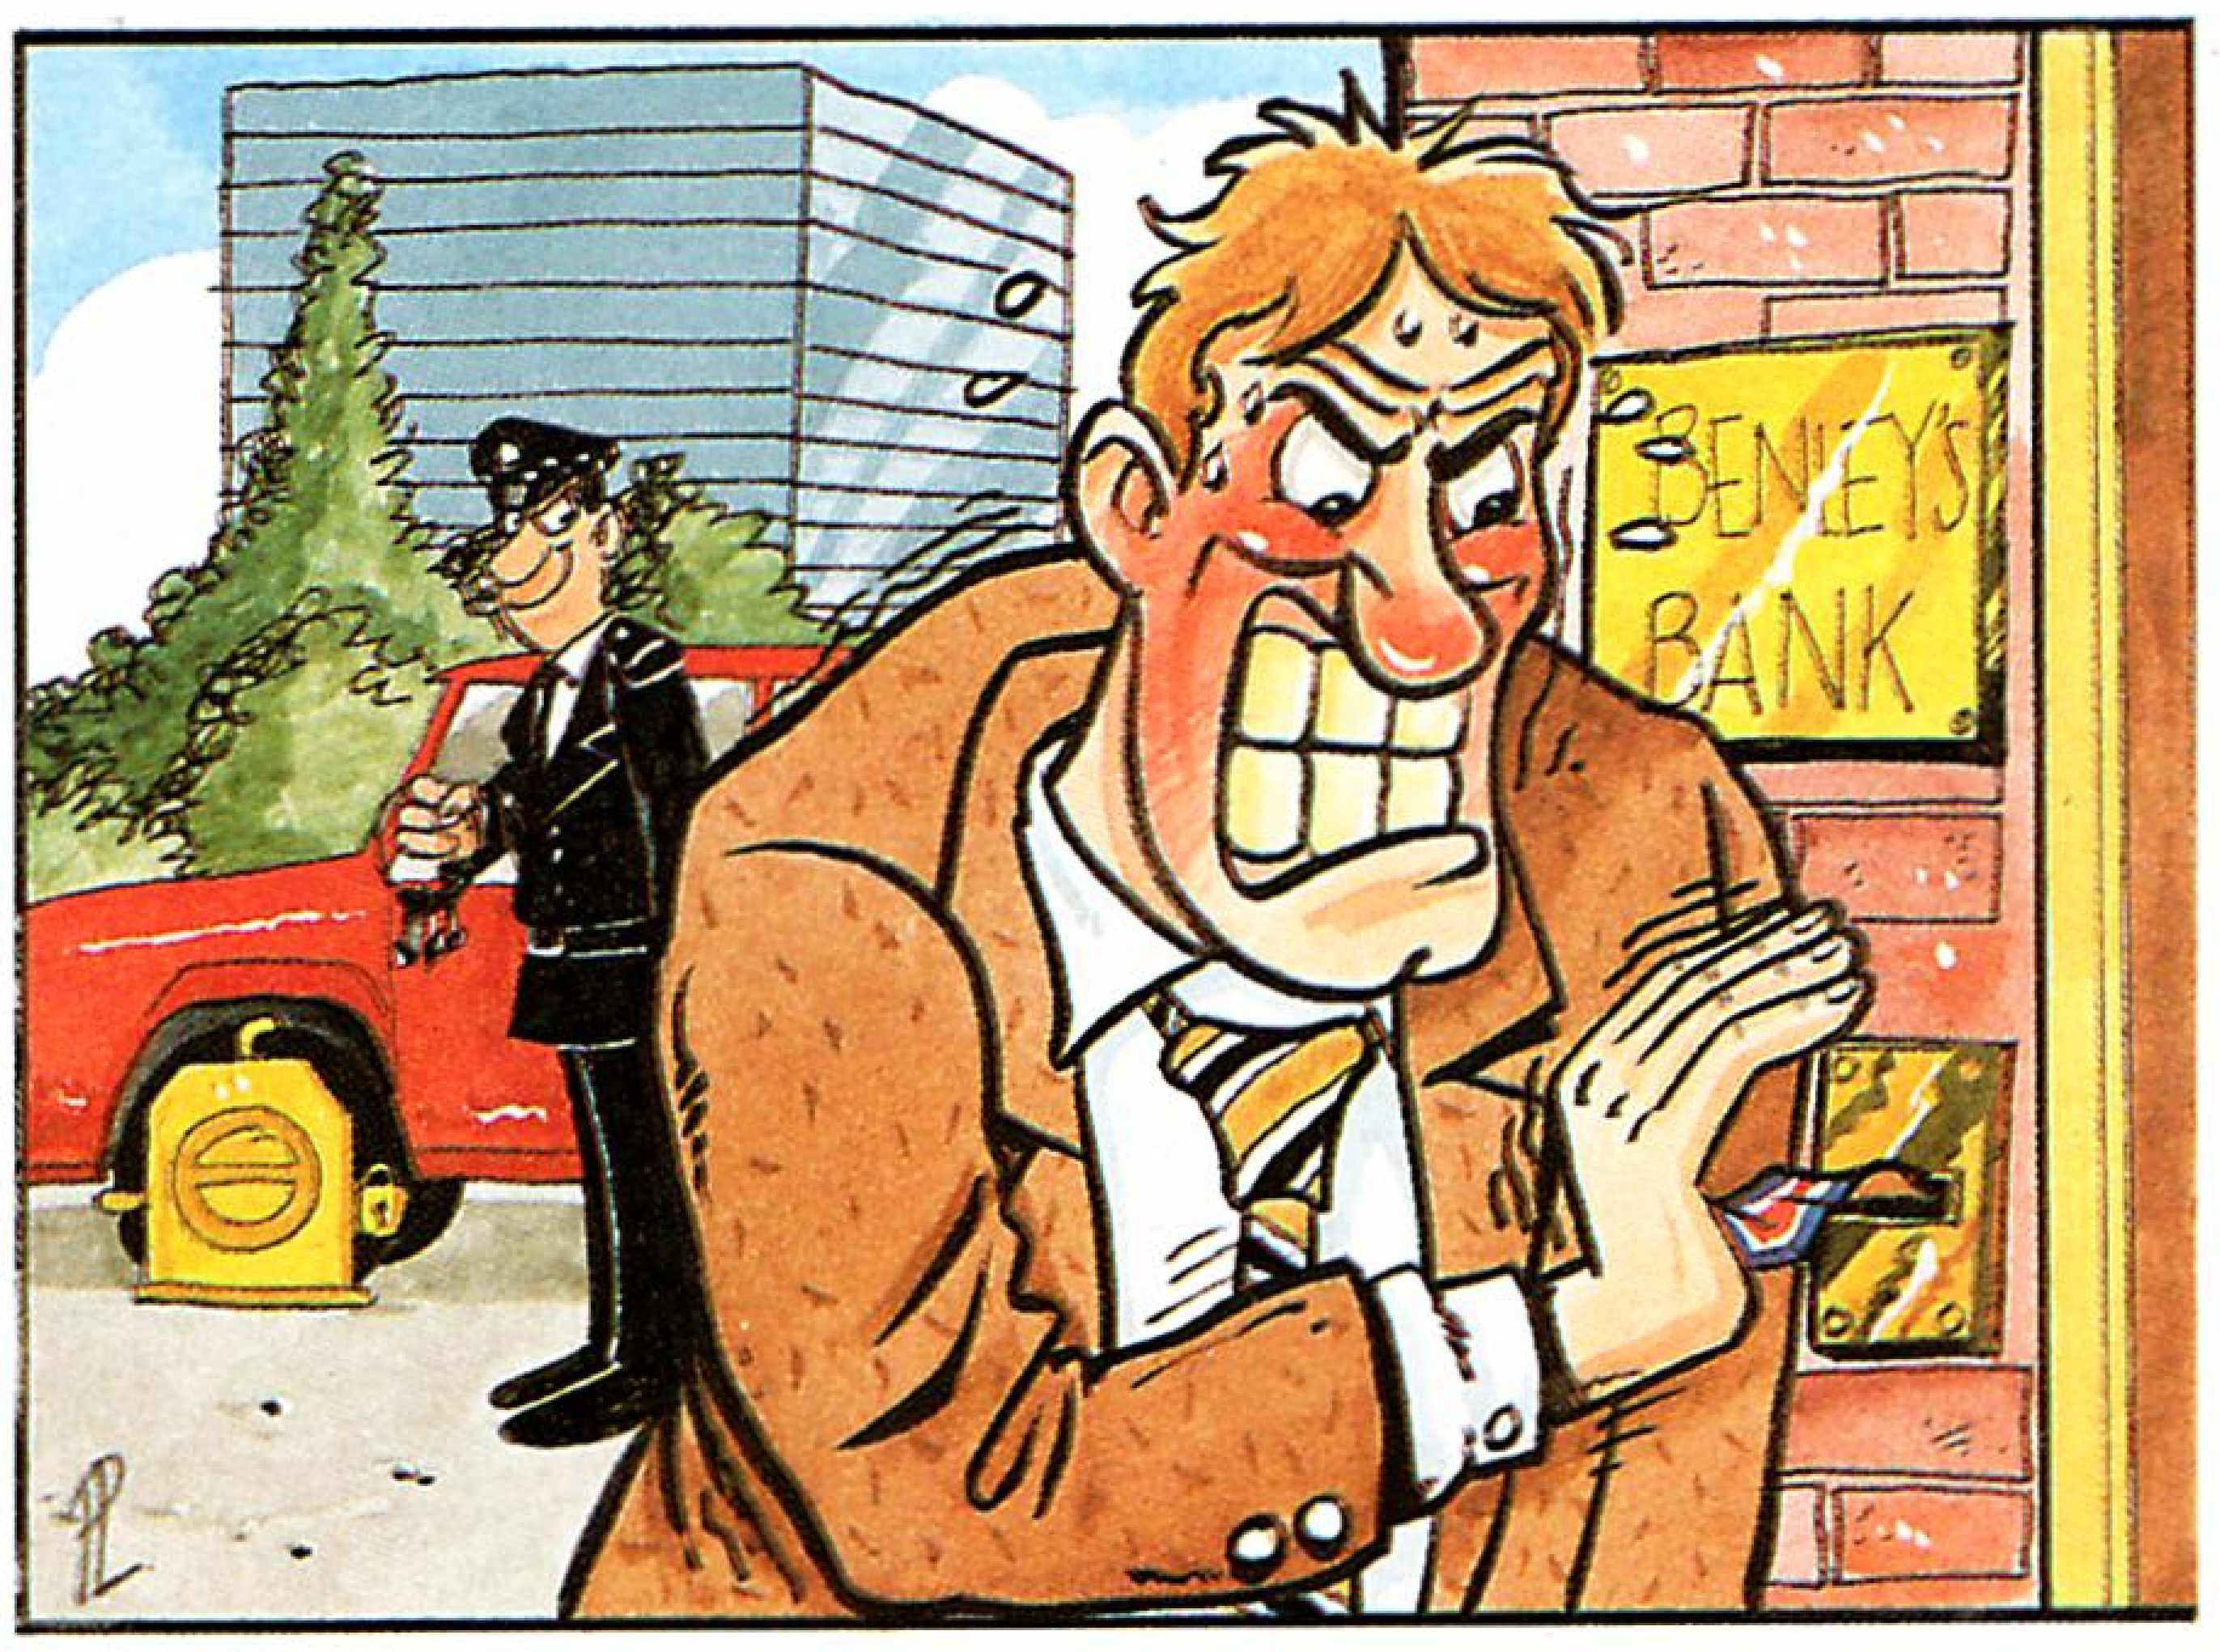
MTP: "But I haven't even thought up an idea yet . . ."

HMV: "How about getting fired? How's that for an idea?" (Click).

That's what we call Getting to the Heart of the Matter: a little gentle encouragement masquerading as a threat. At least one hopes it's only a masquerade. Getting the sack, of course, falls into the above mentioned category of things Masham knows nothing about and doesn't wish to. No worries.

Oddly, the only redundancies which hit the headlines seem to be those in the City – which is funny because they're possibly the only ones no-one gives a stuff about. Even Masham, blessed as he is with the sensitivity of a saint, finds it doubly difficult to feel even remotely sorry for those at the sharp end of the periodic desk-clearings which occur in ECs 1, 2, 3 and 4. It's not just that the so-called victims are such an unpalatable bunch of over-paid gits of the first order (though admittedly this doesn't help their cause much), nor the fact that they'll probably all pick up new jobs tomorrow, even if it's just playing themselves in TV commercials for instant coffee. No, the basic reason one can't muster up any sympathy is because the ways in which the sackings happen are too good to miss.

Gone are the days when the boss simply called in Jenkins from Marketing and told him that the board had 'decided to let him go'. Nowadays the game is far more spiteful. When you give someone the sack, you do just that – countless City boys and girls get the first hint that things aren't going their way when they find a binliner on their desk come Monday morning, thoughtfully provided by their faithful but (recently) ex-secretary to enable them to get their tackle home in the sudden absence of their company GTis. (And I mean *sudden.* 0-60 in seven seconds is nothing compared to the speed with which company cars are repossessed.)



A refreshing alternative, a variation on the getting-back-from-school-and-finding-Mummy-and-Daddy-have-moved-house, happened to a London-based US banker a couple of months ago. Turning up for work as usual at 5.45am (God, don't you hate these people?) he discovered that the computerised barrier guarding the entrance to the executive carpark no longer recognised his personal code. Leaving his Golf on the street he raced into reception where he learned the bad news. The good news was that the car was his pay-off. Oh, and the other bit of bad news was that by the time he had walked back to the car, he'd been clamped.

Another category of social undesirable which has been subject to mass sackings (in the wake of the recent property slump) is of course our old friend the estate agent. *(Here beginneth the promised rehash of last month's effort . . .)*

(Editor's note: the fashionable way of sacking journalists is now to announce the news in their columns. Your P45's on the way, Masham – and give us back that company Lada.) ♣

MANDY

Photographs by Scott Evans

Mandy, our centrefold of last Christmas, was the girl who never thought she'd make it to Club. But after her first taste of nude modelling, she was more than ready for another bite at the cherry. "I felt so good after that first session," she told us, boldly baring her pussy, "so randy, that I knew I had to do it again. I've had an insatiable appetite for blokes these last couple of months – I've lost count of how many I've had. But I'm always game for more!" ♣

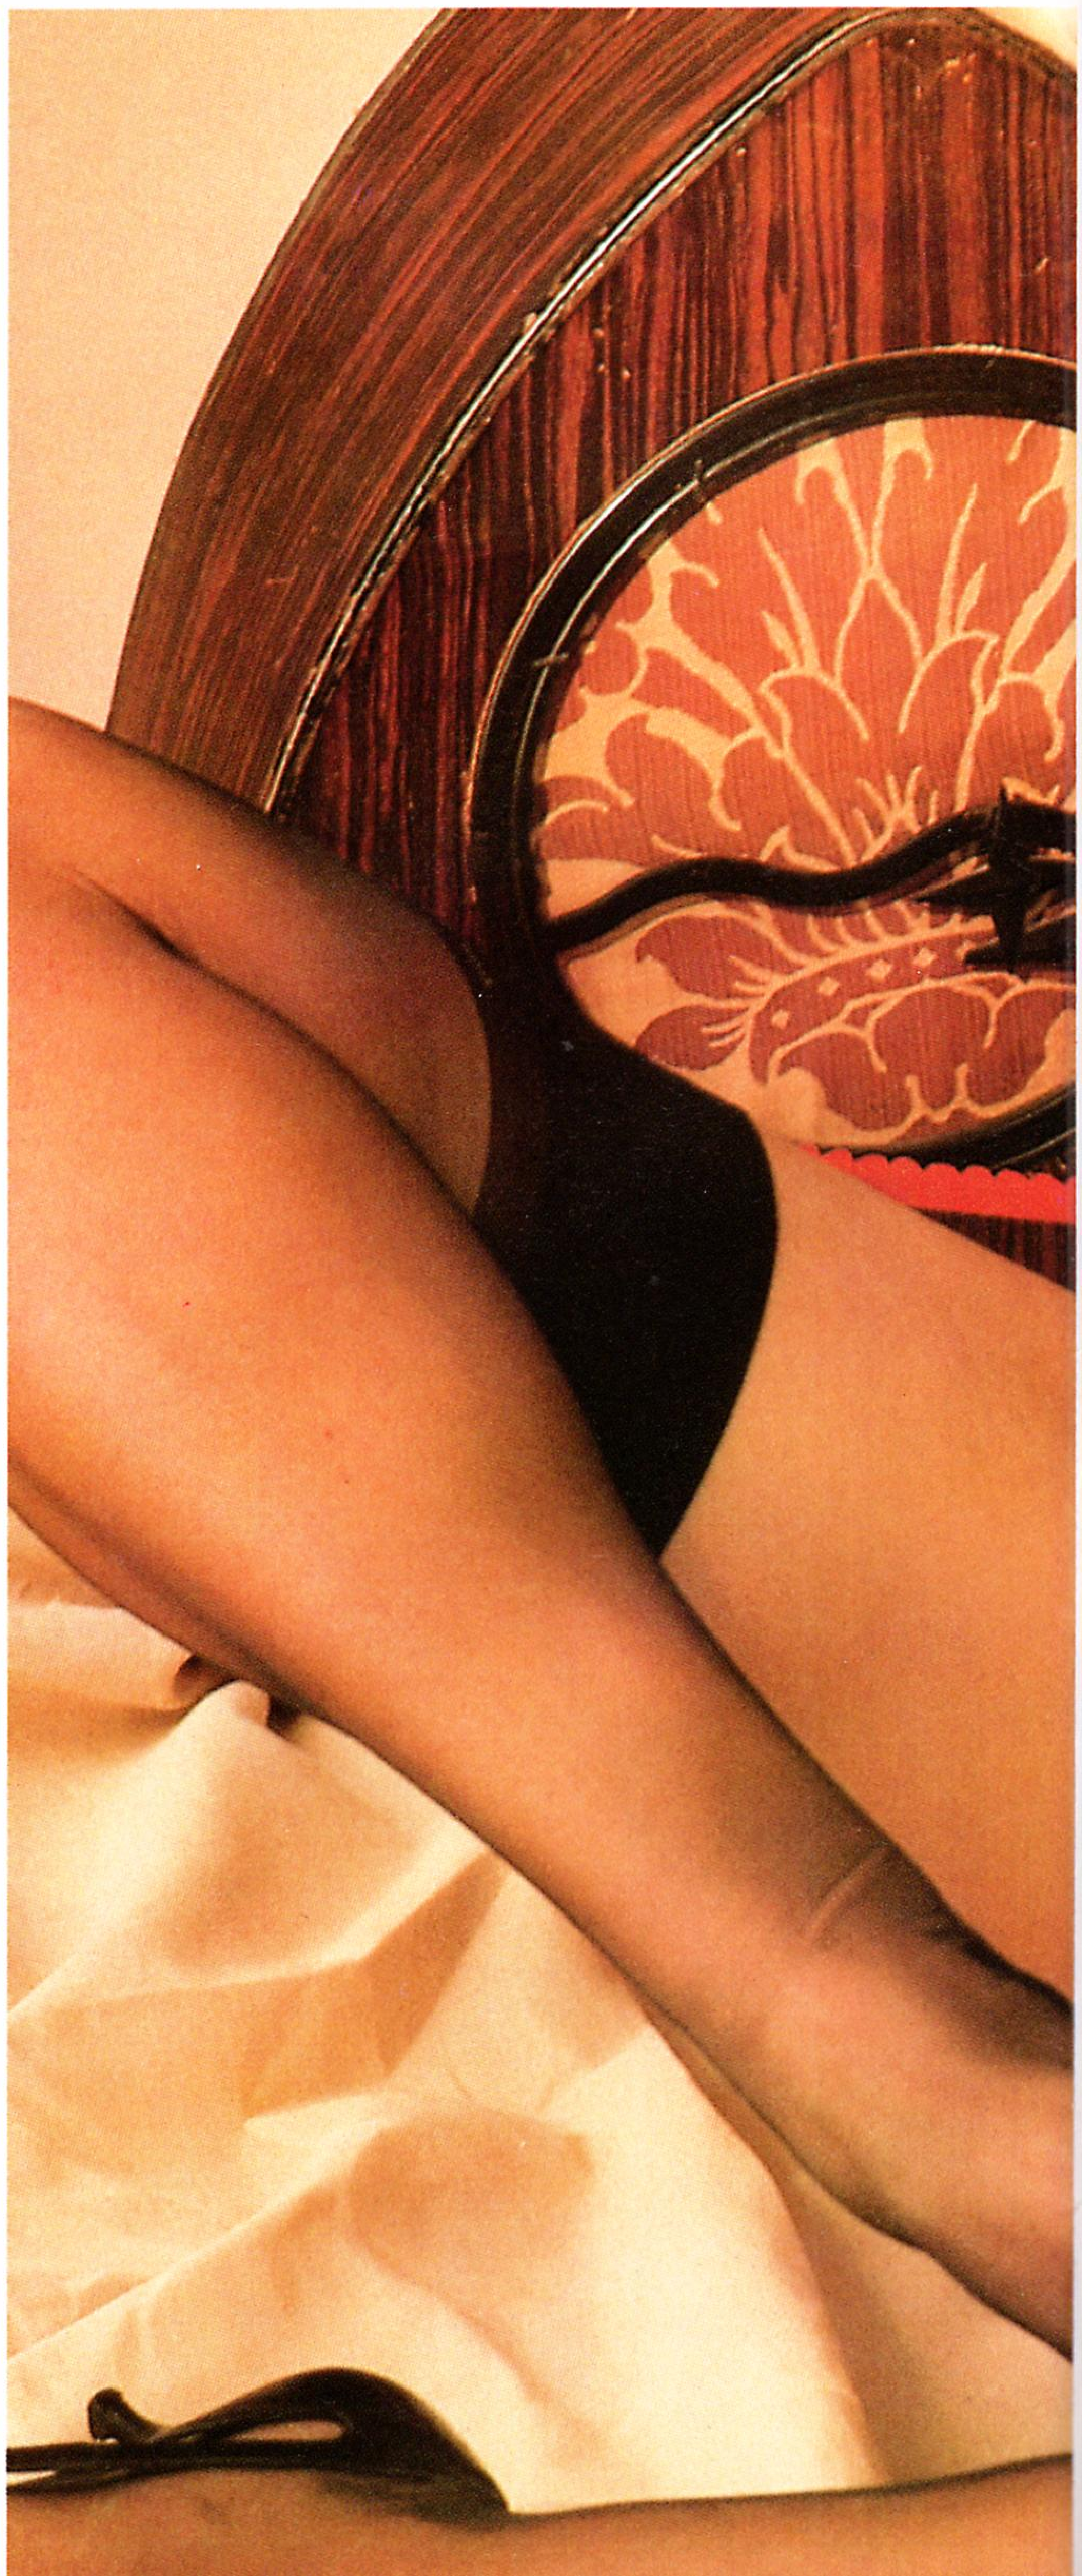
fiona

If you aspire to the easy life, take a tip from Fiona: ''Don't. Easy money (mostly Daddy's) and endless lunch dates (usually at Langan's) are a dreadful bore,'' she moans in her

clipped upper class tones, a true blue Chelsea Girl right down to her open-top Jeep.

"I need some excitement in my life. That's why I've dropped my pure silk Calvin Kleins to show off my cunt. Gosh, if Jeremy could



hear me talking like that he'd fall off his Porsche."

What Fiona wants, she says, is a good hard humping from someone who isn't a stuck up prat (like Jeremy). The Sloane Ranger rides again. Hi ho silverware . . .♣

BIG NUDES!

When our man hit Naked City, he saw a familiar face – and a couple of familiar boobs too...

Those of you with very long memories may recall how we covered California's famous Miss Nude World contest last year. (Though perhaps covered isn't the right word.) Well, we had our roving lensman Dag there again this time. In fact, we just can't keep the ludicrously-named one away from Naked City, the private estate where these little do's are held. Can't *think* why he keeps going back, can you?

This year's event, held in February (look at that sunshine – doncha hate those Californians?) was a bit of a non-starter as far as competition goes. There was only one girl in it. All you elephant-brains may have already guessed who that was, but it's an interesting story, so stop talking amongst yourselves and listen up.

The obvious winner – you know the one, that girl on the right with the dark hair, ruby lips and *huge* gazongas – started her naughty career right here in Club, back in Vol 17 No 8. Since then things have moved pretty fast: Wolverhampton lass Janette was invited to the States by a movie producer who saw her in that issue, and she became an instant hit on the hardcore circuit. You can get an idea of what the girl got up to from the titles of some of her films: *Miami Spice*, *Nymphet Does Hollywood* and *Sexaholics* to name but a few.

And that's how our Janette came to be sitting in California one day with a little time on her hands when a photographer friend tipped her off that entrepreneur Dick Drost was holding his annual Miss Nude World comp. Janette was in her Chevy straight away – and the moment she crossed the Naked City limits, there was no competition!

So after half an hour of formalities, generally involving prancing around in the nuddy, the crown – and the $1,000 prize – was hers. After that, though, things apparently got more interesting yet. We'll let philthy photographer Dag take up the story:

''When the judging was done, the band started playing and the photographic orgy everyone had been waiting for got going. The girls were posing all over the place. And they've all got their own tricks to get the photographers' attention: this is where the stars of porn are made, so they want maximum exposure.

''Everyone was after Janette, so all she had to do was flash away sexy smiles and squeeze her tits together. But Miss Hawaii and Miss California weren't getting much attention, so they jumped into the pool, stretched out on the inflatables and started to masturbate right in front of the cameras. It was like a new, unofficial contest, and it got them a lot of attention.

''At the end of the day all these couples who'd just met for the first time were sneaking away to their cars and campers to screw. And a lot went to the estate's official orgy room, which is a whole different story.''

Just goes to show, one beauty contest is a lot like another. Some are just that bit naughtier, though . . . ♣

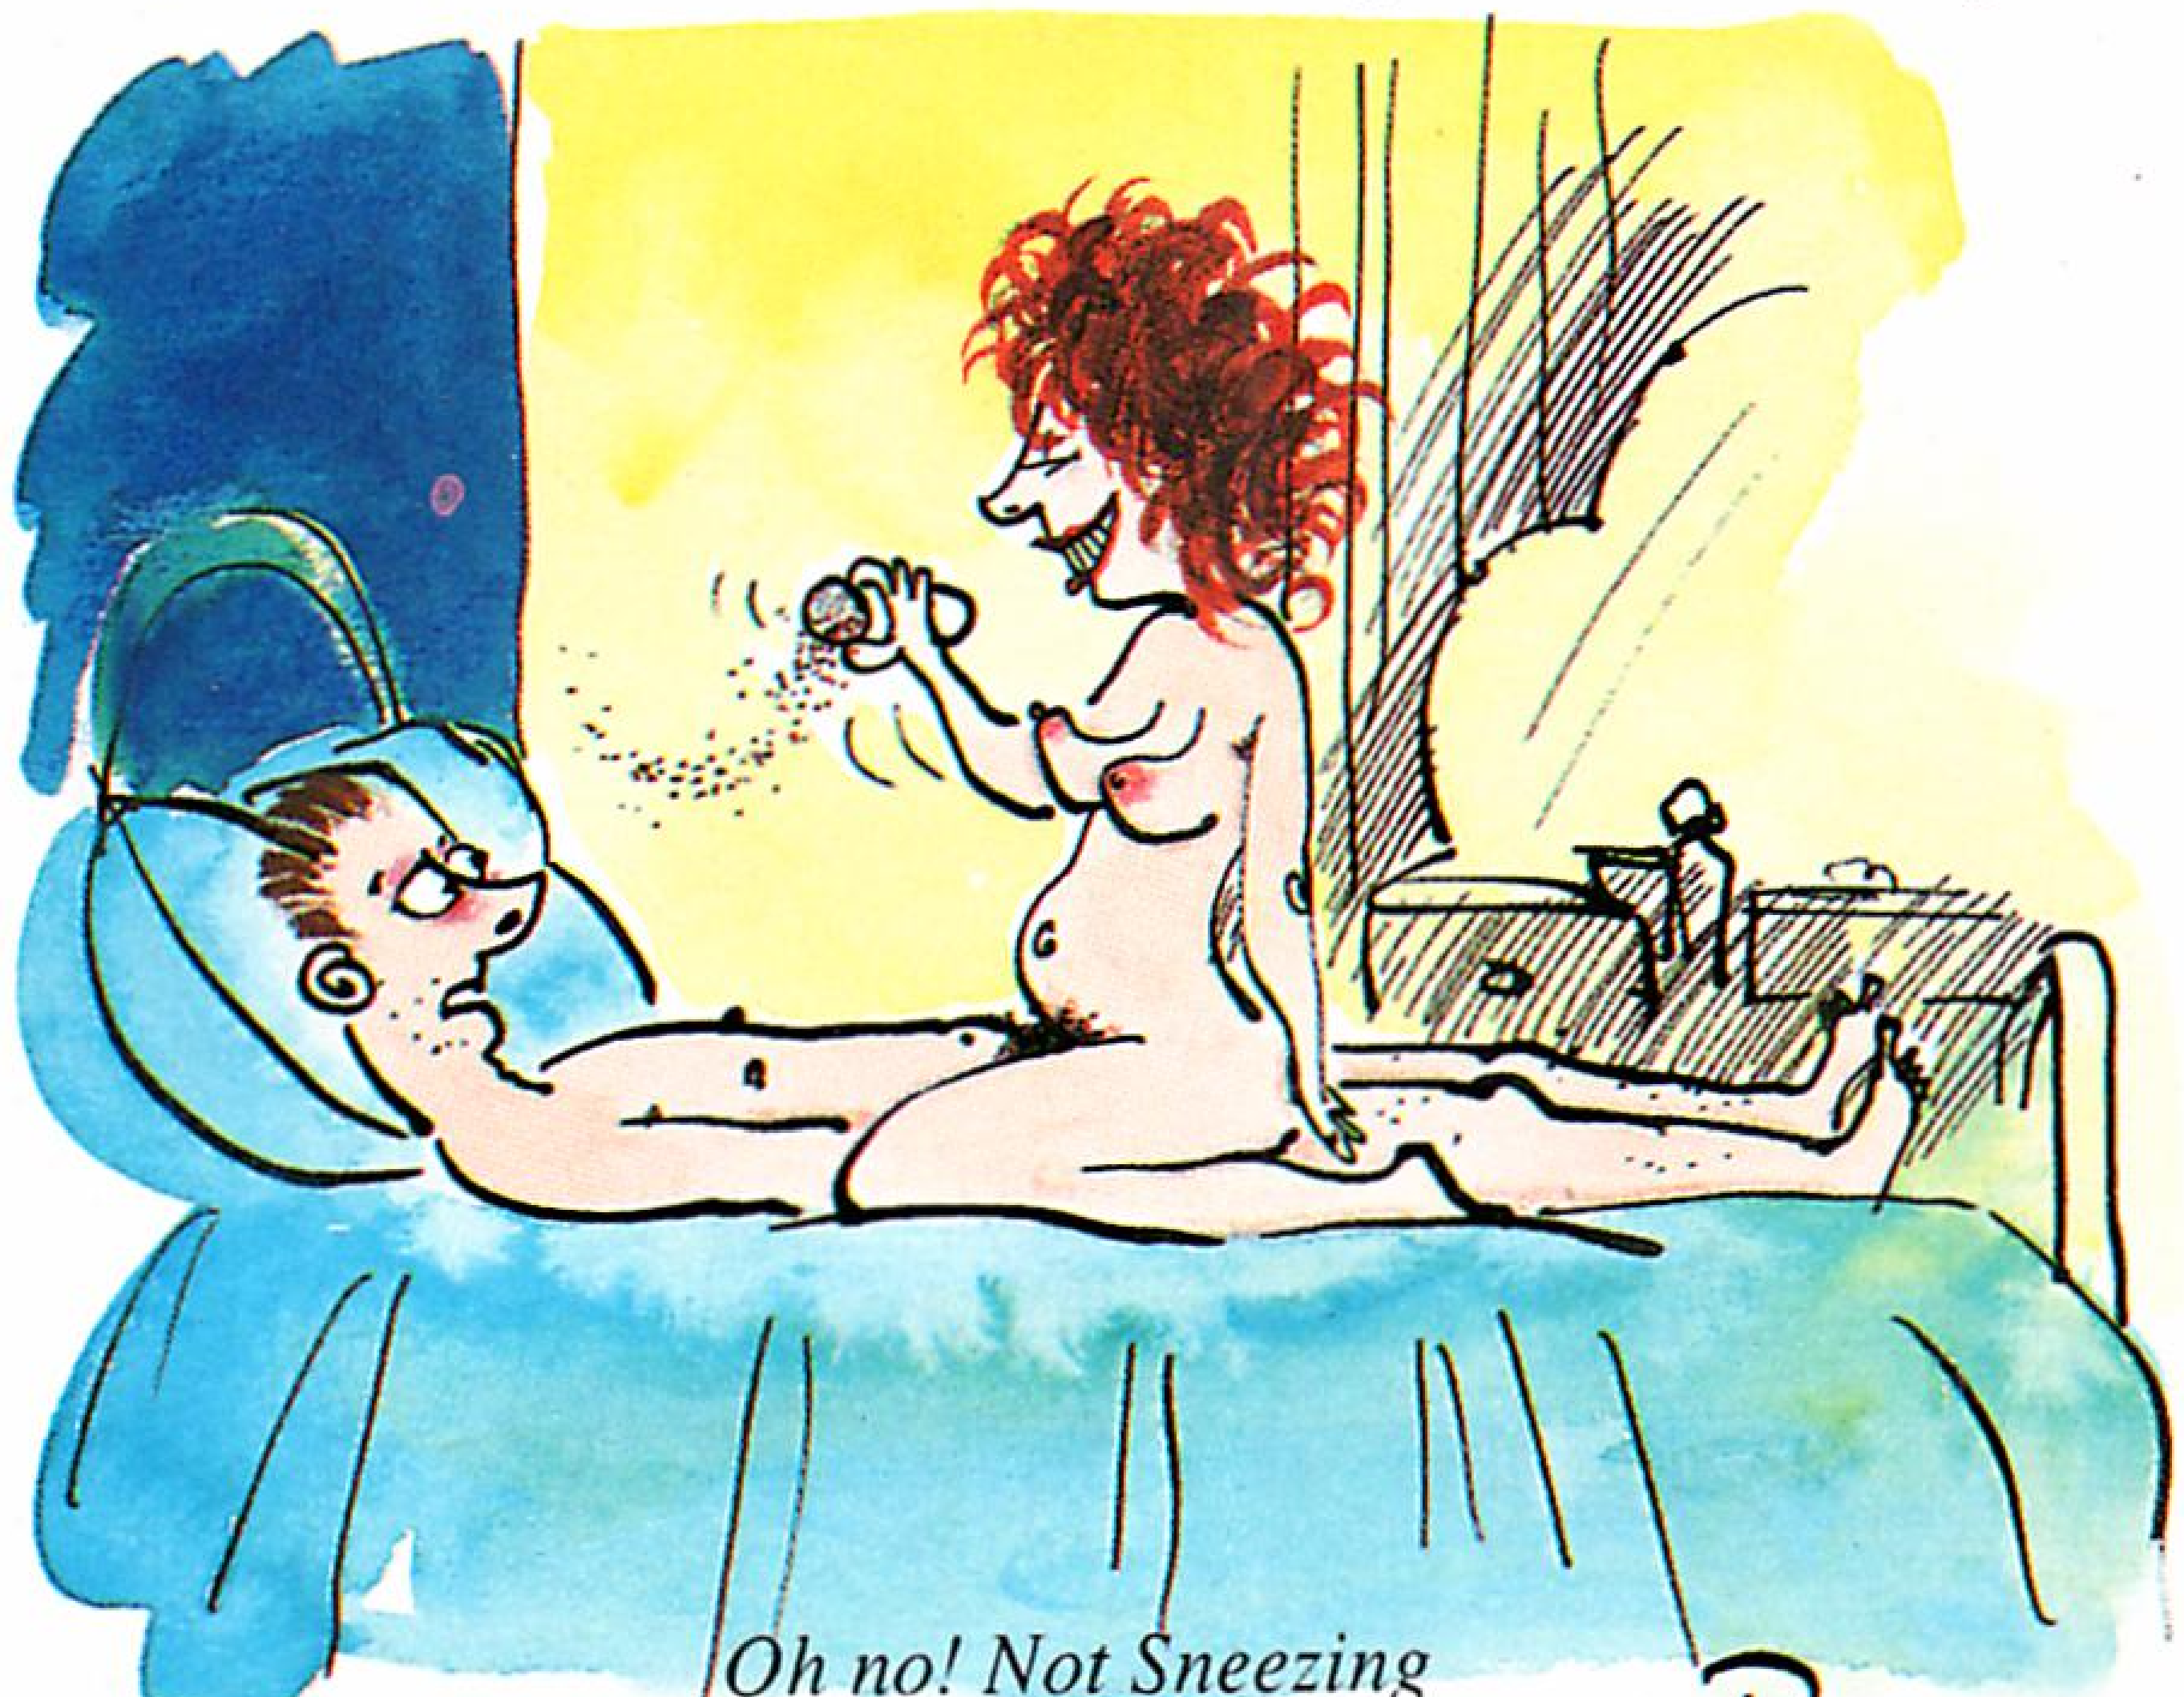
she shuddered, and warm juices spilled out down her thighs. Clare seemed to react to the silk somehow – I could feel the folds of her pussy beneath the gusset of her French knickers and when I tried to slip my fingers up her hole, she stopped me and told me to carry on rubbing with the silk. She soon came and let out an almighty scream.

I lay on top of her and buried my head in the silk camisole, resting on her heaving breasts. Fondling her boobs like this seemed to excite her more than ever, and by now I was lying with my cock pressed against the wet knickers which were clinging to her crotch. Clare's animal passion had its effect on me too and I couldn't help rubbing my hard-on against the silkiness of her French knickers. Clare was hugging me with her legs and squeezing her own tits now. ''Come, come,'' she wailed; and sure enough, I shot my load all over her black French knickers.

Clare refused to take her new clothes off, even though we were both temporarily exhausted. It didn't take her long to get me hard again though, by slipping my dick between her tits underneath the camisole. The touch of the silk and the softness of her tits made me rock hard. This time Clare really needed shagging and I slipped my cock inside her, with her knickers still on. It was one of the best fucks we've ever had.

Our sex life now revolves around silk – it's costing me a fortune! Sometimes Clare wanks herself for me in her lingerie. It's a real turn-on, and then she takes off her wet silk panties and tosses me off with them. After that – it's fresh knickers and an all-night shagging extravaganza.

So please keep showing your Club girls in sexy lingerie. It gives us lots of new ideas to try out ourselves. – *Lance, Middleton*



Oh no! Not Sneezing Powder again?!

Dear Tania,

You looked absolutely fantastic posing in that photoset in Vol 18 No 1 and your bubbly personality really came across in all the featured shots. Although, initially, you seemed a bit shy to me, your poses quickly became more assured as you revealed more of your superb body. And no wonder! After all, what girl with such a beautiful face, gorgeous squeezable tits, lovely arse and alluring pussy wouldn't look assured stripped off before the camera?

How I envy the lucky man who was first to fuck you after that photo session. I bet he had the lay of his life and, by the sound of it, he probably got a good sucking off into the bargain. – *John, Sheffield*

I can guarantee you that the bloke who got to me first after that photo session certainly* did *get the lay of his life – it was my boyfriend!

An Ode to Suzanne (Vol 17 No 11)

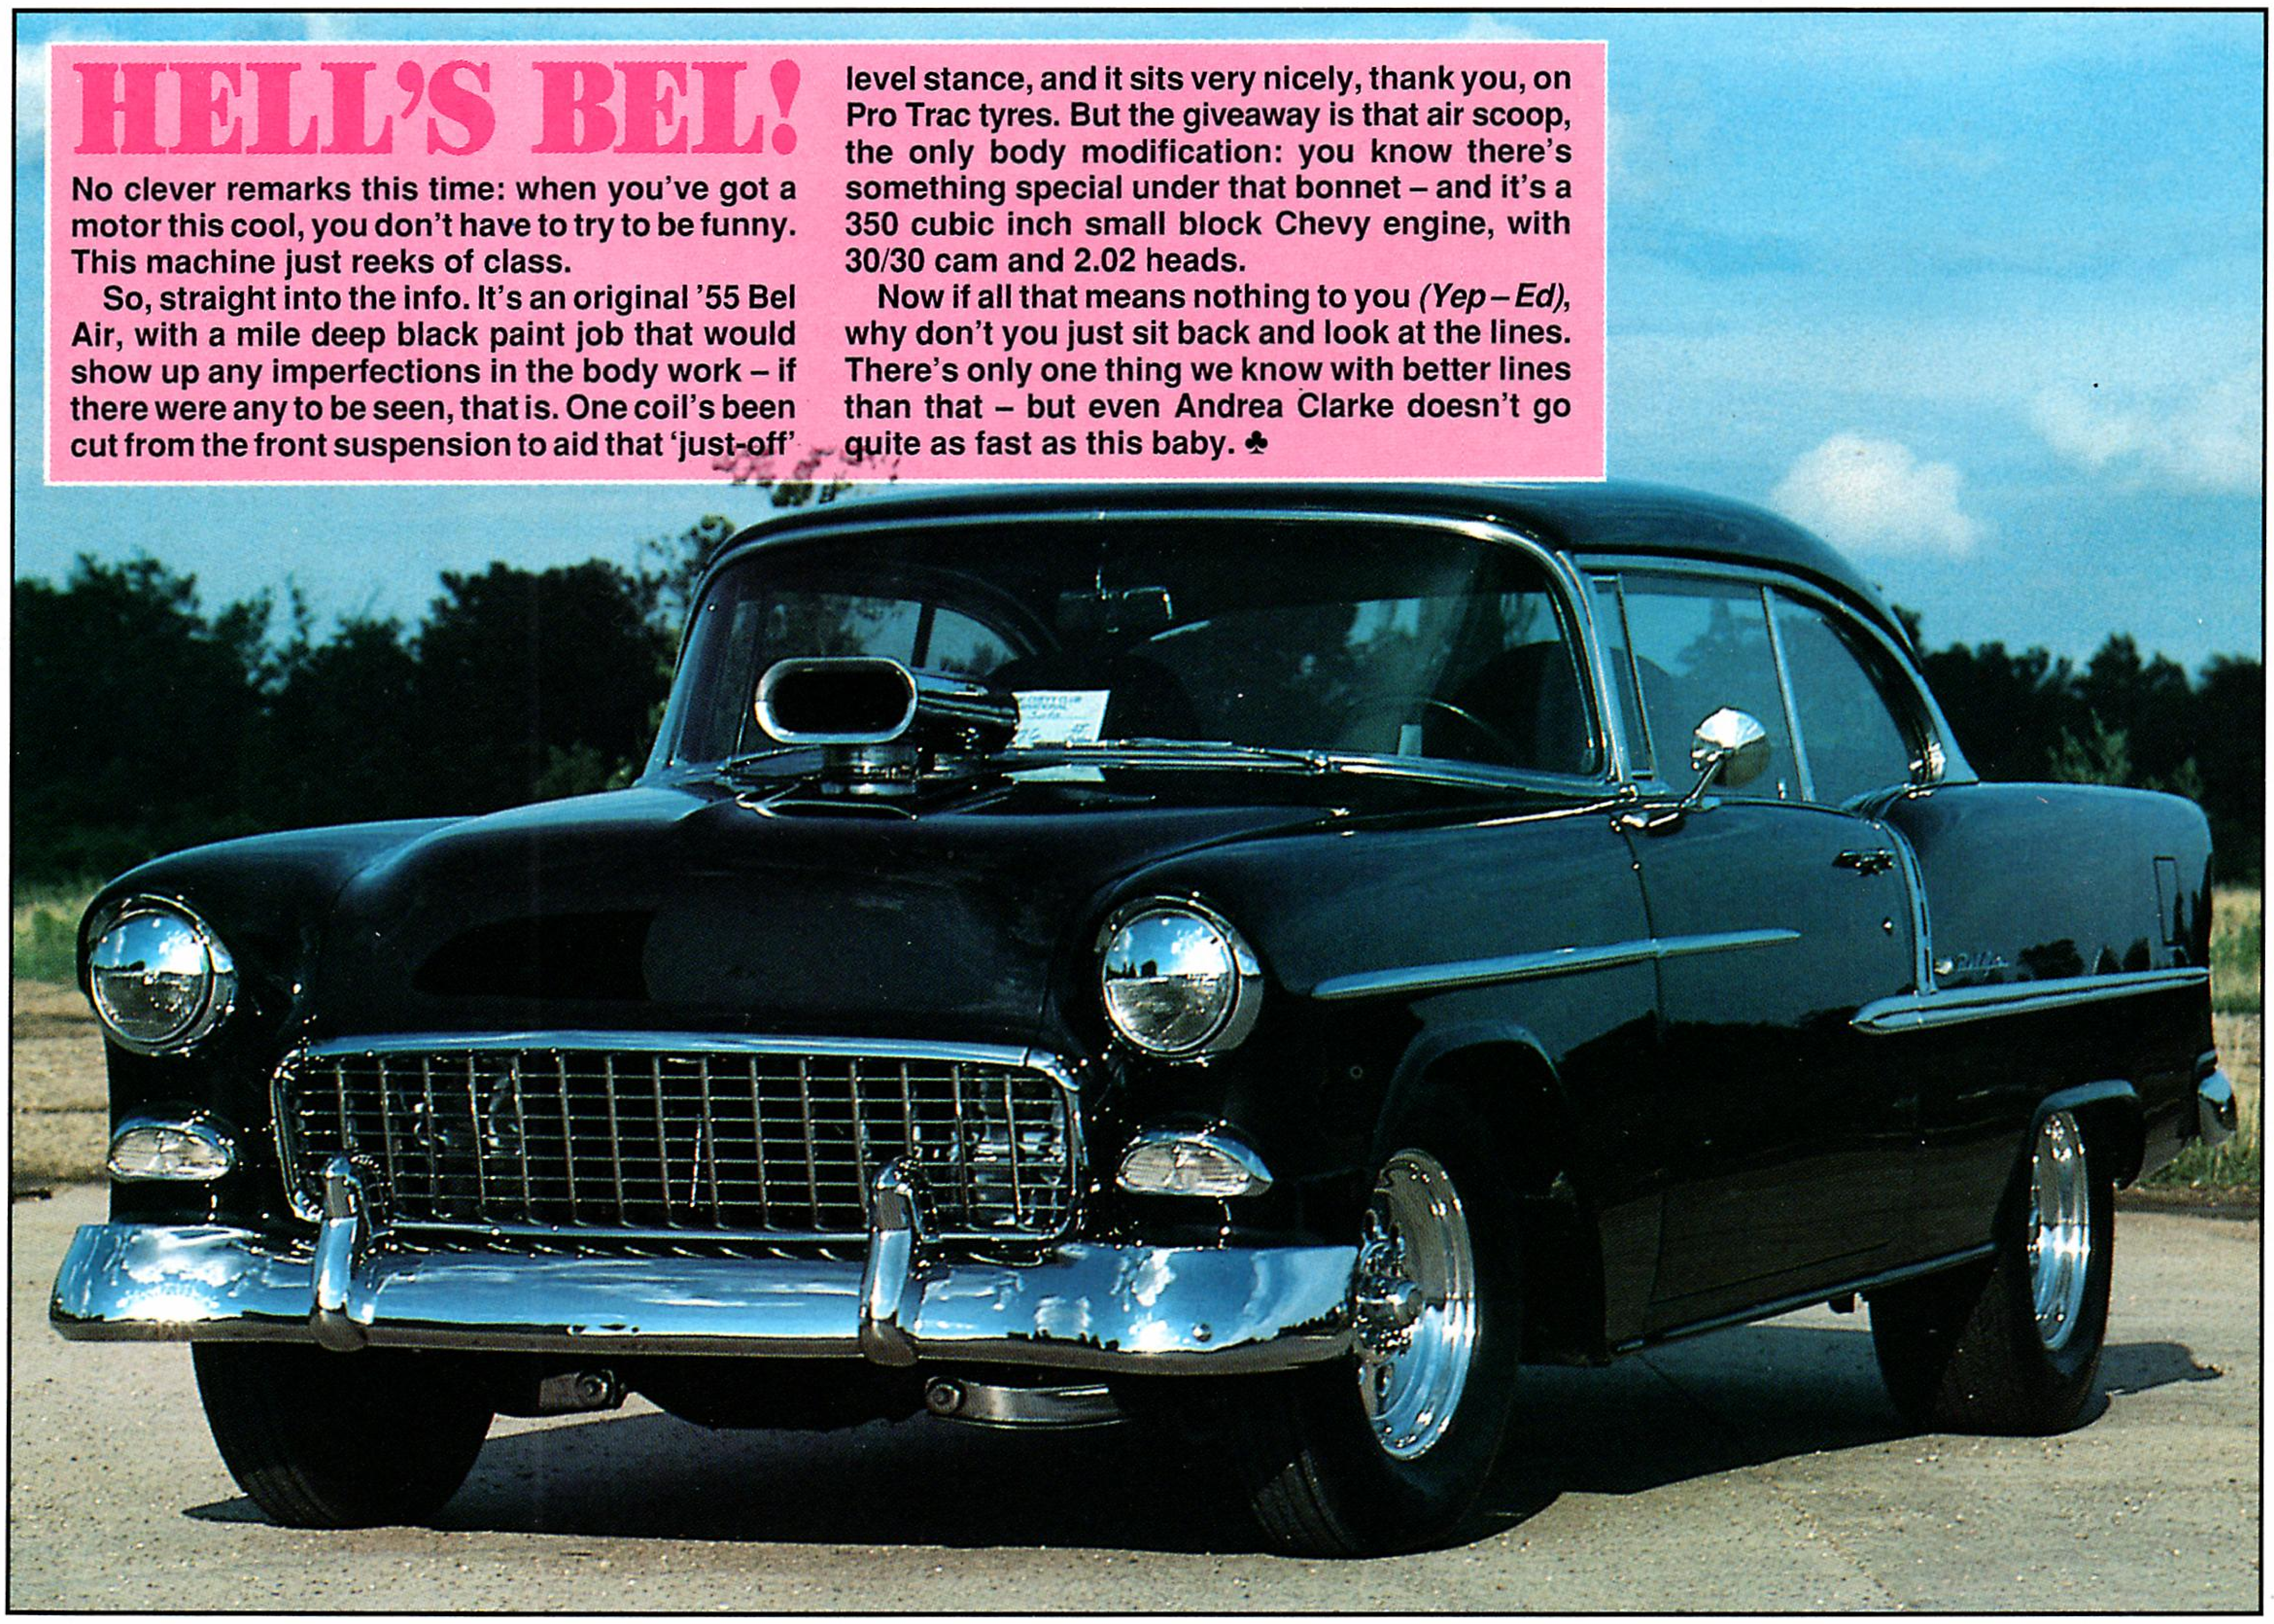
Suzanne, Suzanne, you make my day,
I would love to bonk you in the hay.
Your body inspires me with lustful desire –
After looking at you my willie's on fire.
I would love to lick your nipples pink

HELL'S BEL!

No clever remarks this time: when you've got a motor this cool, you don't have to try to be funny. This machine just reeks of class.

So, straight into the info. It's an original '55 Bel Air, with a mile deep black paint job that would show up any imperfections in the body work – if there were any to be seen, that is. One coil's been cut from the front suspension to aid that 'just-off' level stance, and it sits very nicely, thank you, on Pro Trac tyres. But the giveaway is that air scoop, the only body modification: you know there's something special under that bonnet – and it's a 350 cubic inch small block Chevy engine, with 30/30 cam and 2.02 heads.

Now if all that means nothing to you *(Yep – Ed)*, why don't you just sit back and look at the lines. There's only one thing we know with better lines than that – but even Andrea Clarke doesn't go quite as fast as this baby. ♣



And then I could fuck you,
over the sink.
When will you do another
session
Before my cock drops off
with sheer, true passion?
Please answer my poem, my
beautiful pet,
And tell us when you'll
model another set.
I am sure I can satisfy your
bedroom desire
For I bonk so hard, the bed
sets on fire.

James, Surrey

Dear James, my young man,
when I read your rude
poem,
My clothes just flew off, and
my panties went with 'em.
If it's over my picture you
have your hot wanks,
Here's one for the road, and
with it my thanks! –

Home Movies!

I have often wanked to the fantasy of photographing my wife being screwed by another man or men. One drunken evening at home we were on the floor in front of the fire, building up to our regular Saturday night fuck, when I told her about my fantasy. I asked her if she would like to be fucked by another man while I watched and photographed – to my pleasant surprise she eventually said yes!

After that we would often talk about it and make plans to make it come true as part of our sex play, but we did nothing about it. We would use poses from our collection of porno mags which she would agree to copy with our fictional fantasy man. Our sex life improved enormously! I actually photographed her with my Polaroid in various stages of undress – including shots of her flat on her back, legs wide open with her beautiful cunt lips parted.

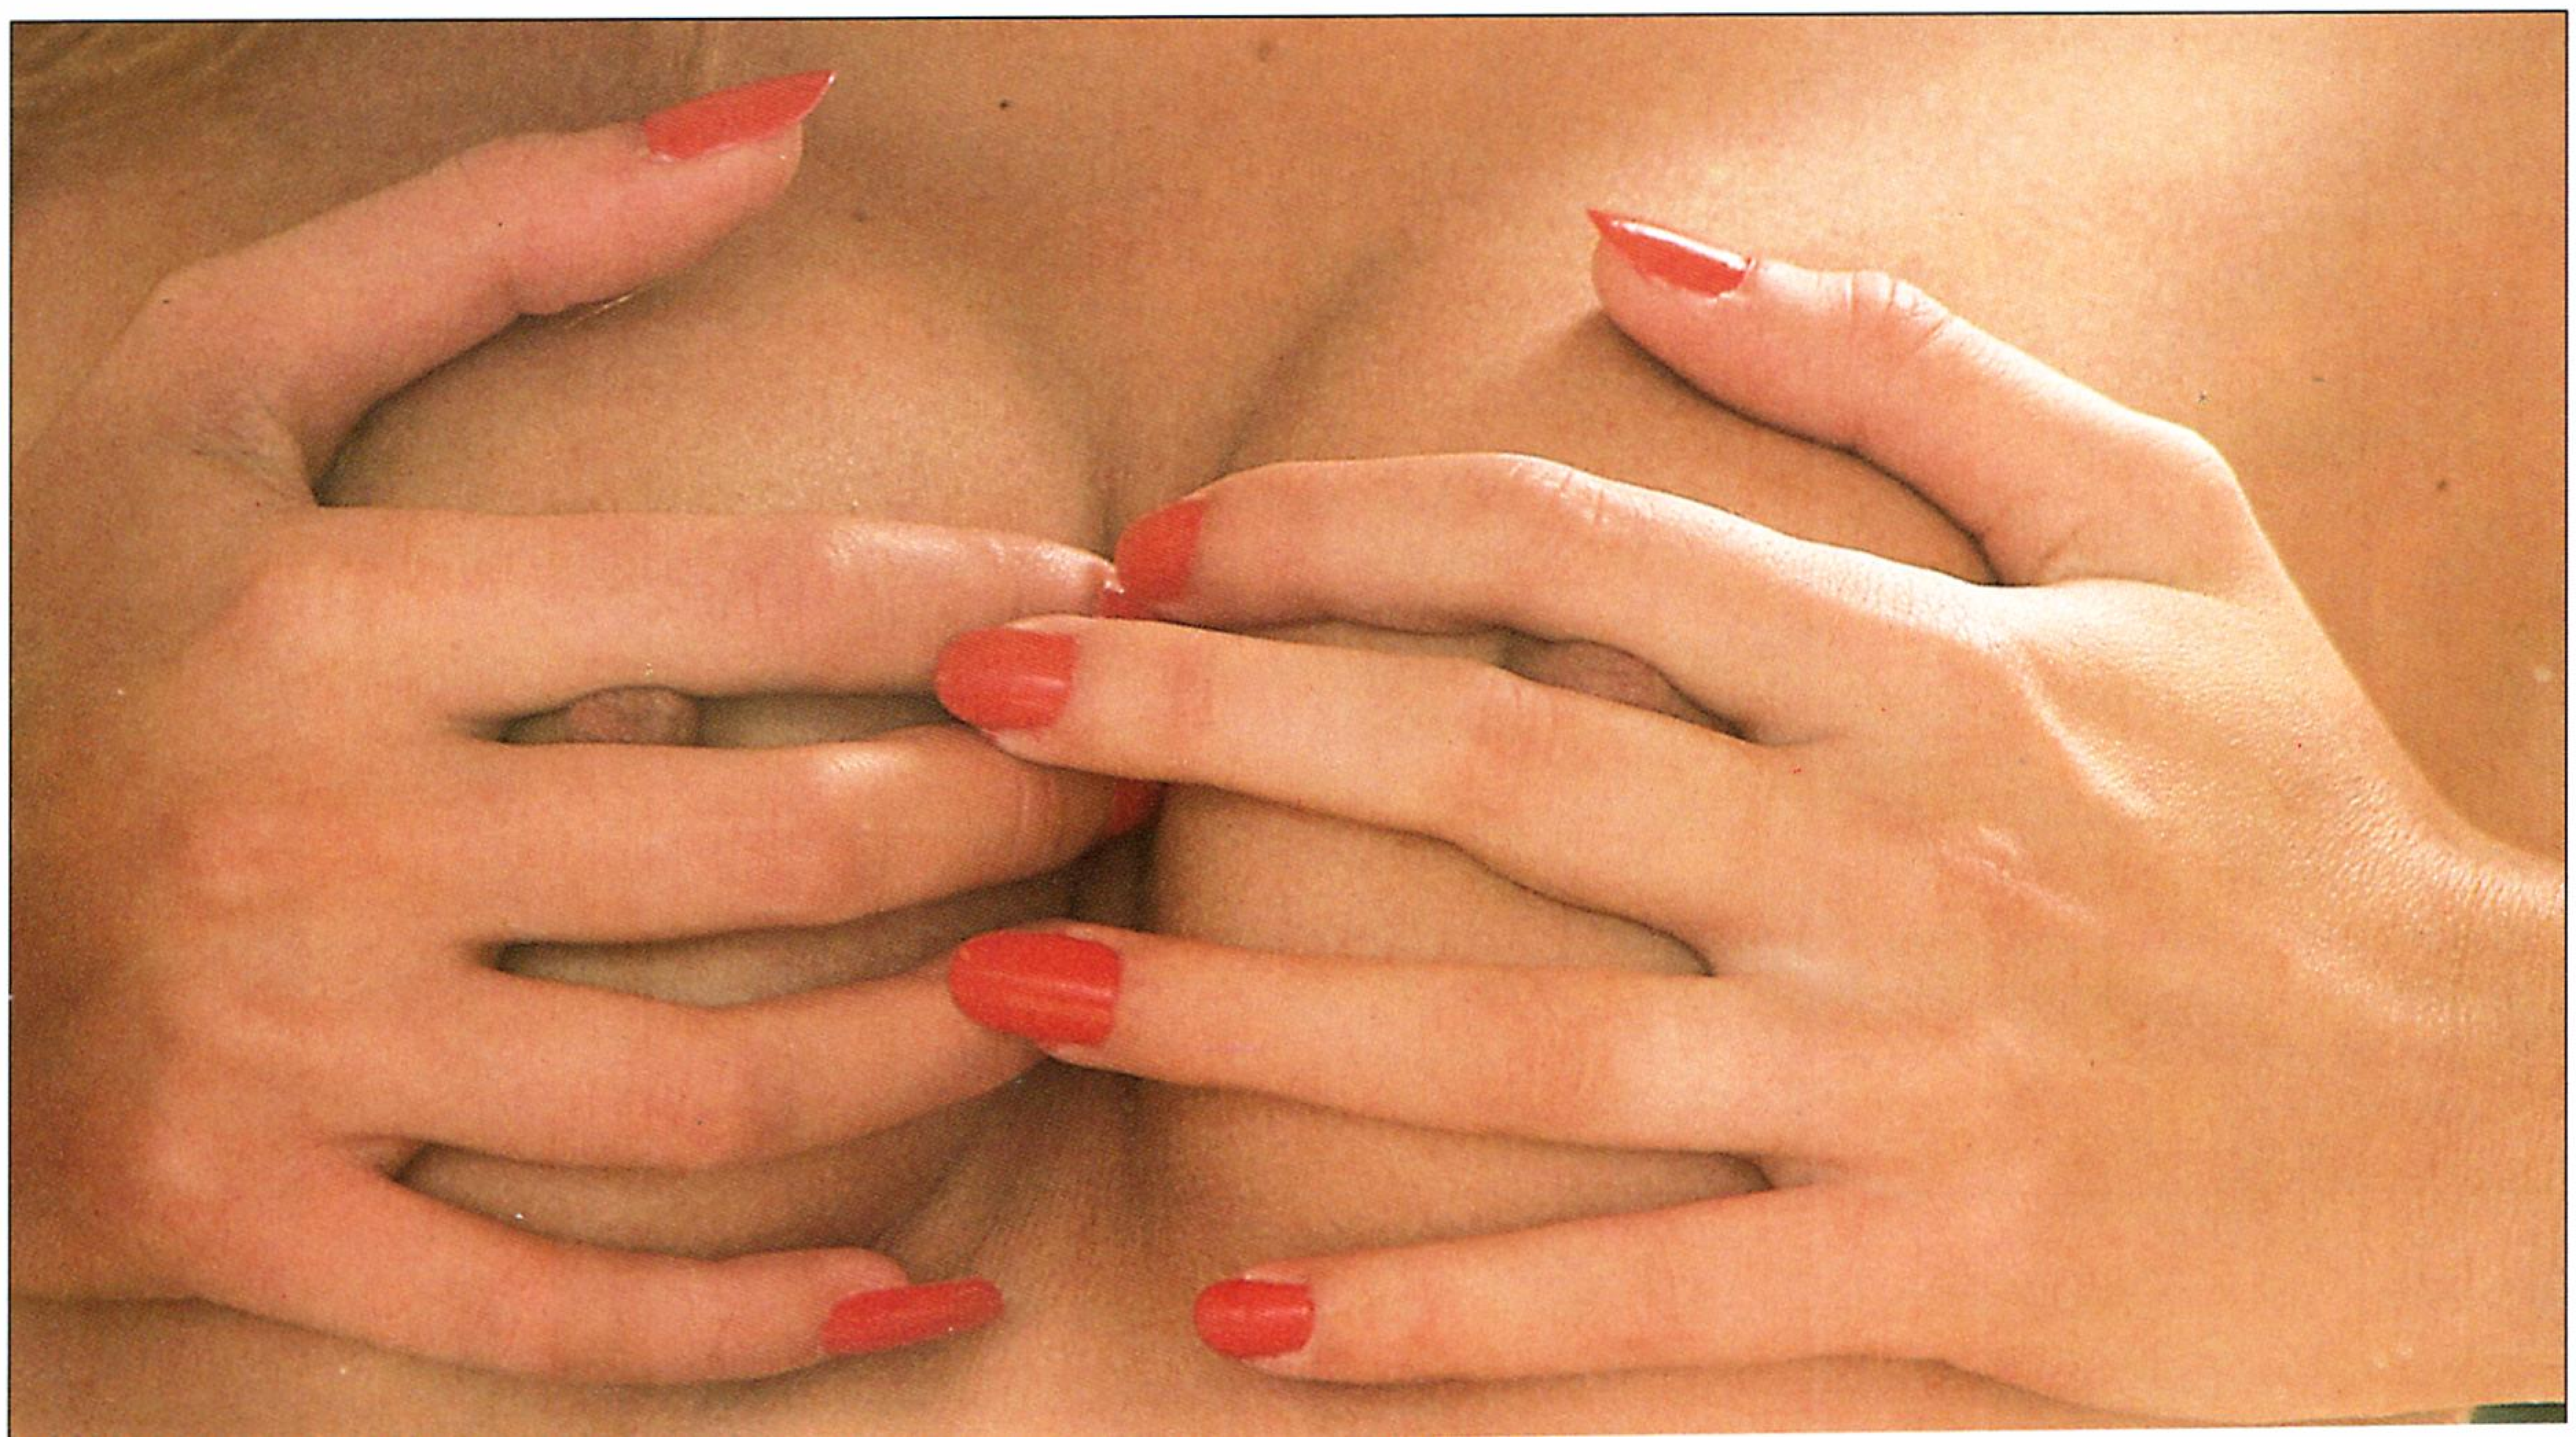
When we at Club saw Jacqui's pert breasts, wonderfully seductive eyes and golden pussy, there was an immediate outbreak of hard-on-itis. And what this leggy 19-year-old told us did nothing to cure it. "I love it when a man whispers in my ear and says exactly what he is going to do to me. I just



love sex and if I'm not getting enough I go out and find it. I'm not shy at all, and I love the thought of men looking at me totally exposed.'' Total exposure? What about the hat? IN·THE·BAG

continued from page 29

One weekend we were staying in a hotel in the South East. We had taken our sex kit with us – porno mags, camera and her sexy underwear. We had eaten well and drunk a couple of bottles of wine and were relaxing in the bar before going up to our room. We were sitting at the bar itself on high stools, so my wife's skirt was riding high, showing off her shapely legs in her dark stockings. She was wearing her white basque (my favourite) with tiny white lacy knickers.

I noticed two men sitting at a table opposite – one of them was admiring my wife's legs. I quietly told her of his interest and suggested she gave him a flash of her white suspenders and knickers. She turned on the stool to reach for her drink and allowed her legs to open a little. I could see the man opposite take a lot more interest. Suddenly my wife slid off the stool and headed for the ladies. When she came back she wriggled on to the stool, making sure her skirt rode up even higher, and allowed her legs to part so that the guy opposite could see her thighs even better than before.

My wife leaned towards me and put her hands in my pocket for a second, smiled sweetly and parted her legs a little more. I put my hand in my pocket to discover her flimsy knickers there! No wonder the guy opposite was beginning to go red! The view he got was stocking tops, white suspenders and curly hair. I started to get a hard-on so I told my wife – she told me her cunt was getting wet. To prove it she squirmed on the stool and left again for the ladies, leaving the top of the stool with a large wet patch on it. I had an enormous urge to lick it clean but controlled myself – just.

At about midnight our watcher's friend said his goodnights and left.

The watcher wandered over to buy himself another drink, and stood next to me. I spoke to him, saying how

Dear Donna,

I couldn't believe my eyes when I saw you in Club Vol 17 No 13, and I was spunking over you even before I'd reached the last – and most sensational – photo in the set. Your smouldering, sexy beauty has set me on fire and my cock needs constant attention.

I'd like to watch you playing with yourself, opening up that hungry, sopping pussy with your fingers, probing yourself till you come again, talking dirty like you do on the phone. Then, when your cunt is really wet and ready, I'd fill your hole with my hard, fat dick and shag you hard, the way I bet you like. What do you think? I'm desperate to see more of you in Club – and more of your fabulous, come-hungry pussy hole. – *Marcus, Cheshire*

***That's what I like to hear, Marcus – a man who knows that I like to be given cock really hard. I absolutely love it, so I want you to get your cock out now while I talk to you. I'd like to be rubbing that hard, fat rod and licking it all over, waiting till the moment when I know you're about to come. Then I'd quickly mount it and take it all the way into my pussy in one hard thrust, and feel all that lovely hot come in my cunt. What do you make of that?* – Donna**

GOBBLE!

Sun, sea, sand and sex were what **Nathaniel Fatbastard** *was expecting from his seaside holiday. But he didn't get us a stick of rock, so we told him where he could shove it . . .*

There's nowhere quite like the British seaside – thank Christ! The bracing March winds and salty spray from the spring tides can freeze your bollocks off and give you the shits quicker than a Catford kebab house. Fortunately, since the resident population of the south coast is so old most have worn out their third bus pass holder, there are kharsis every 50 yards – a good crap being the hottest entertainment left in these withered parts.

I was staying at the *Incontinental Hotel* in Westbourne-on-Shit, a seafront building whose grandeur had faded faster than a pair of cheap C&A jeans. With 30 rooms and parking for 50 Zimmer walking frames, it's one of the largest on the south coast, and specialises in weekend breaks for the barely alive. I was there for the ''Festival of French Food and Fun'' (£75 per person for two nights bed and limp croissant) and arrived just as a coach party of OAPs on a Club 80-Death holiday drew up. It was then that I realised that I needn't have packed my loon pants for the hotel's Seventies disco – that was the minimum age for entry. So I decided to walk around the town in search of some real action.

I started at *Gerry Hatrick's* Tonic Wine Bar (12b, Support Hose Street, Westbourne) where I enjoyed several glasses of fortified House Red (75p each). It was full of the excited chatter of ill-fitting false teeth, and I soon discovered the reason why. This was the venue for the final of the Mrs Moist Cardigan contest, and already the lady contestants were wrapping themselves up warmly ready to be doused with a mug of tepid Horlicks. The favourite was Cicely from Bexhill, whose cup size was reported to be 38 long. I knocked back my bottle of Wincarnis and left.

Down a narrow passage, the *Mitten Club* looked more promising, offering continental films and live exotic entertainment. So I went into the dimly lit room and waited for the stripper to come on. I had five Mitten Club Cocktails (halves of Mackeson and Vimto) before the elderly manager appeared on stage and announced that Fiona was ready to show us parts that would take our breath away. As soon as she appeared, I offered the nervous performer gentle encouragement.

''Attagirl, Fiona, gerremoff! Let's see yer piss flaps, darlin'!''

She looked a little surprised as she went into her first act, a display of colour slides of her cruise around the Mediterranean. I too was a little taken aback at the manager's strength as he threw me out of the door.

Back at the hotel, the patrons were enjoying their first night of ''French Food and Fun''. A wind-up gramophone played Maurice Chevalier records whilst

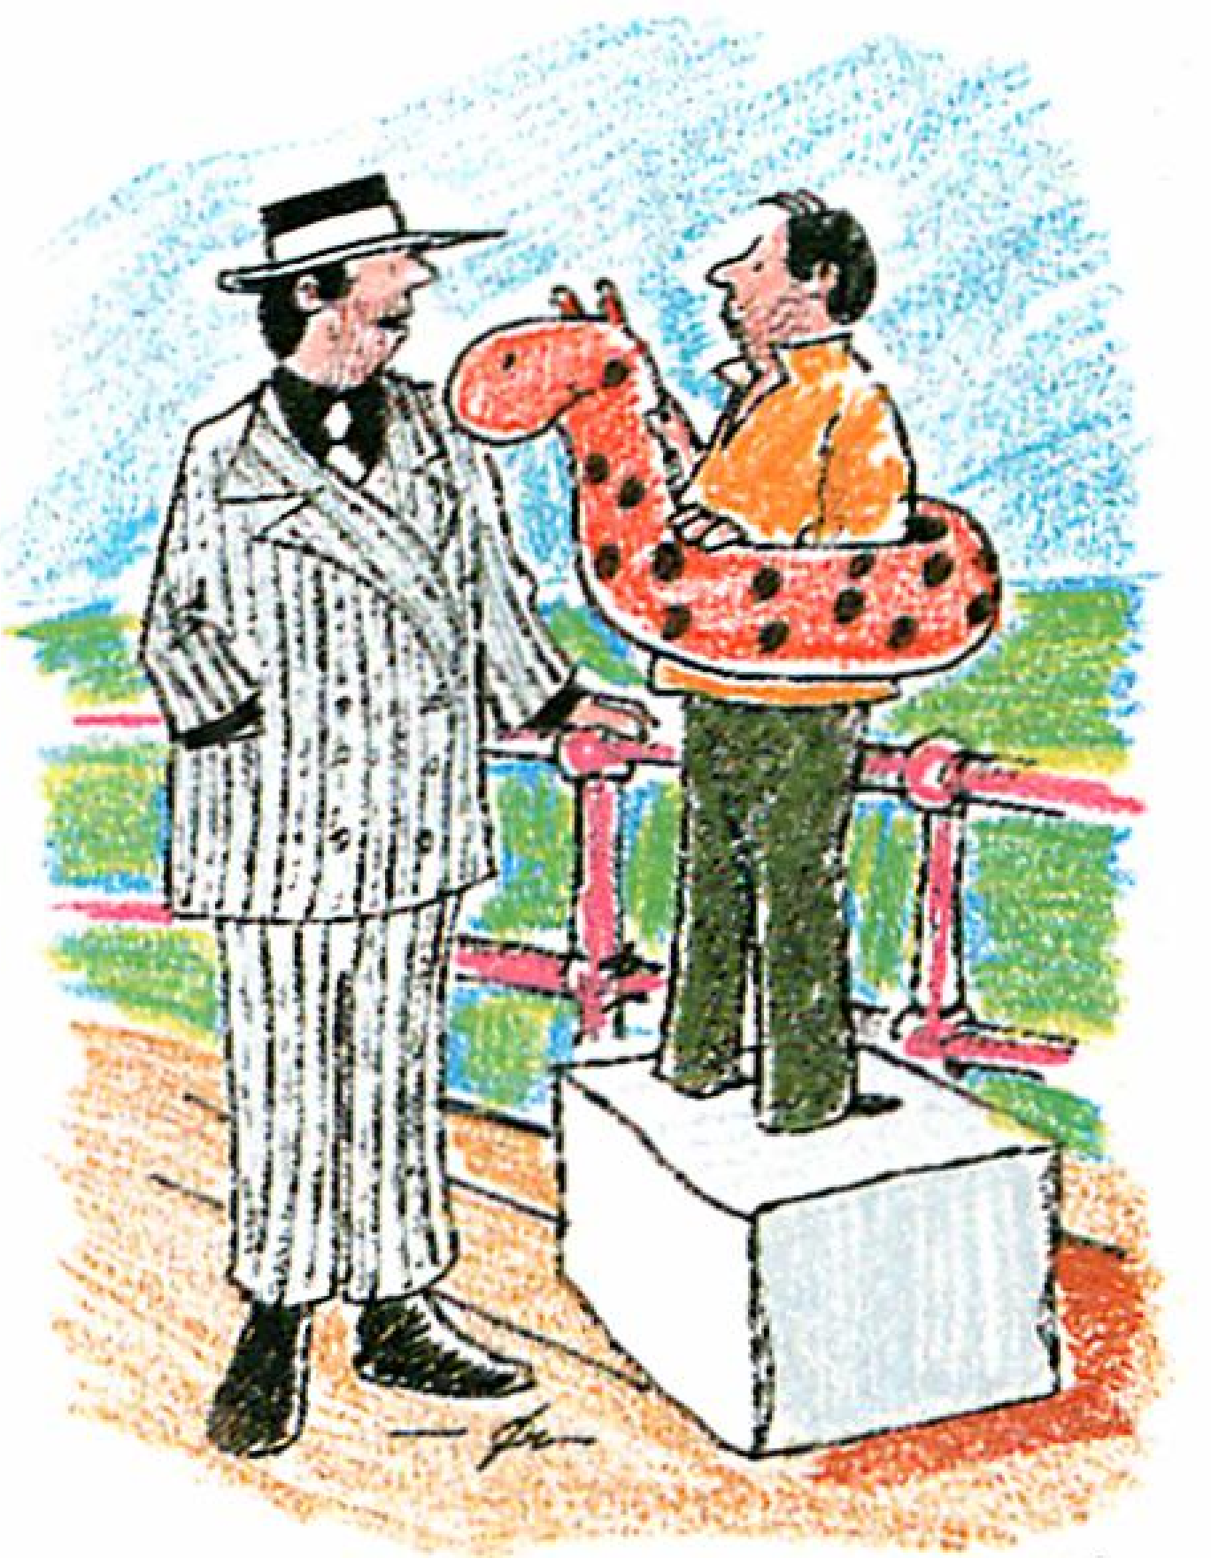
quiet the bar was for a Saturday night, and soon he was sipping his drink in full conversation with my wife and I. When the bar closed, I invited the watcher, Peter, back to our room and he accepted my invitation.

Once in the room Peter and I sat in the two chairs while my wife lounged on the bed, with her stocking tops fully on display. Peter took a good look but was soon distracted by the sight of our porno mags on the table. I laughed and handed him one of the mags, explaining that we used them for our fantasy games. The mag I gave him was full of group sex shots and he was clearly excited by the pics.



Perhaps it was your remark about the Boss having a limited sense of humour

I asked him if he would mind acting as photographer so that I could copy a pose in the mag with my wife and he soon agreed.

My wife chose the pose; it was a face to face fuck. She stripped down to her basque and stockings, and I stripped to my underpants. I noticed that Peter was staring at my

somebody passed around a pack of Disque Bleu. After enduring three tracks from *Gigi* and five cigarettes that tasted like a suck on the exhaust pipe of a 1958 2CV, I went to bed with a suitable book. Well, Emmanuelle's a fucking French name.

At breakfast the following morning, I was almost deafened by the snap, crackle and pop of arthritic joints. The combined rattle of cutlery and calcium was only silenced by my demand for egg, bacon, sausage, tomato and fried slice. The middle-aged hag, in a French maid's outfit complete with seamed stockings too sheer to hide her varicose veins and reeking of *Jardin de Max Factor* and Domestos, was horrified.

''Non, non, Monsieur,'' she said in a phoney Frog accent. ''It must be French.''

''Oh, pardonnez moi,'' I replied with Gallic charm. ''Now lissen very carefully, I shall say zees only once . . .''

She leant forward conspiratorially as I turned to whisper in her ear.

DATE WITH A PLAYMATE

Now the video comp this month is a bit special, as you can see – so don't say we never do anything for you. Poor old Bryce practically had to cut his bollocks off to get hold of the ten prizes, so you'd all better be grateful.

And we know you will be when you see what's on offer. All the way from sunny California comes the *1989 Playboy Playmate Calendar.* For the uninitiated that means that this is a glossy video that looks like it was made for *Top Of The Pops* except that all the girls featured in it end up naked. What more could you ask for?

There aren't many of these around, so to win one we want the most original caption to the shot you can see here of one of the featured girls. The Ed's attempt was, "Fwaaa, I'd like to go a couple of rounds with her", so obviously as that's such a crap effort we didn't even consider it. Yours will be better, of course, and the ten best will be justly rewarded with the tapes.

So send your entries to: Fwaaa Playmates Comp, Club International, 2 Archer Street, London W1V 7HE, and we'll pick the winners from this lady's panties, which is why she isn't wearing them. ♣

ASK ANDREA

YOU NAME IT,
MS CLARKE WILL DO IT!

This month is a very special column: *Ask Andrea* is one year old! Yes, the Editor tells me my first column was back in Vol 17 No 4, though I must say it doesn't seem that long that I've been doing all your naughty requests and reading your letters.

As a birthday present, the Ed sent me on a two-week all-expenses-paid holiday to Jamaica! He told me it's the least I deserved for being Club's resident girl: I don't know about that – I've been having too much fun to think I deserve a reward. Anyway, that's how I came to be on this sun-drenched Caribbean beach. Now I've returned with sunburn, loads of souvenirs and a few saucy tales to tell . . .

And there were more than a few of you who wanted to see me in a beach session too, so my holiday is an extra bonus for you. It would take me too long to name you all, but the lucky guy who I picked from my postbag was Kevin from Worcester who told me:

''The only reason I go away on holiday every year is so that I can sit on the beach all day and watch all the gorgeous girls going topless, or even nude if I'm really lucky. I'd be over the moon if one of them looked like you, Andrea, with your blonde hair loose and bleached by the sun, a deep suntan covering your beautiful, firm, ripe body – and just a touch of sunburn on your stunning boobs that I'd *love* to be able to attend to. If you could do this for me, it would make my year, as I can't afford to go away.''

Well, Kevin, you don't need to pay for your holiday this year because I'm right here, sunburn and all. Would anyone like to volunteer to put the calamine lotion on for me?♣

letters to ANDREA

Dear Andrea,
I bought my first copy of Club yesterday and haven't been able to put it down ever since I laid eyes on your hot, sexy body in that tight nurse's outfit with those black stockings, suspenders and bra showing your fabulous boobs.

But I must confess that since seeing you I've been wanking like crazy, six times yesterday and twice so far today. It's not very fair on my girlfriend. Yes, Andrea, I've been very naughty and deserve punishment – for my fantasy would be to see you in a leather bra (or basque) with a tiny black leather mini skirt and leather panties.

See what you can do, I'm sure we'd all love to see you in leather. – *Greg, N. Ireland*

I'm very glad that I've had such an effect on you in your first taste of Club, Greg, and I certainly hope that you'll be a regular reader from now on. But what's wrong with wanking? Nothing – unless you, me, and the entire population of the UK are all complete perverts! I must tell you that there's nothing better than a good wank, and I'm not just speaking for myself there either, so I hope you don't give it up!

Dear Andrea,
I couldn't agree with Andrew's sentiments more closely (Vol 17 No 11). I, too, dream of you in tennis gear with little white satin cunt-hugging panties pulled up deep into your crotch and a white, pleated tennis skirt setting off your soft, round bum.

If you were to pull the crotch of your panties to one side or slide them half-way down your thighs so that we can see both your pouting lips and the juices from them on your panty crotch, I would be creaming your picture to death, like I am doing now just at the thought of it. – *John, Leicester*

I know it's getting to that time of year again – Wimbledon – so I can see that I just might get round to doing this one at last, John. I must confess that watching all those hunky male tennis stars running around in those revealing little shorts gets my panties more than a little wet . . .

Dear Andrea,
My request is a simple one – that you should shave off your pubic hair. You have such beautiful, smooth, peachy skin that your pretty pink slit would look even better without your bush to hide it.

I imagine the picture set starting with you squatting on the loo, naked. You then proceed to first wet, then apply foam to your pubes before setting to with a razor and finally drying and talcing yourself.

The next section, showing you with your pussy newly shaven, starts with you in everyday clothes; a pair of stone washed jeans, an extra tight sweat shirt and underneath, skimpy, tight white knickers and bra. I

would like to see one photo of you with your back to the camera, bent at the waist and looking backwards. You would be topless, so that the swell of your breasts could be seen and you would have your jeans around your ankles and your knickers around your knees.

The final shots would have you naked, firstly sitting on the floor supported with your arms straight behind you and your knees drawn up and thighs spread to give the best possible view of your cunt in all its naked glory. Then it would show you on all fours with your buttocks in the air, facing the camera to show me your very kissable arse.

Well, how about it Andrea? You would certainly make me a very happy man if you followed the above instructions and I know there are a lot of other men who like to see bare pussies in Club. – *George, Surrey*

But are there enough men would actually volunteer to come along and help me with the task, George?♣

Well, what would YOU like to see Andrea do? Write to her at Club International, 2 Archer Street, London W1V 7HE and leave the rest to us!

Julianne's proud to say she's a natural flirt around men. She claims to be able to seduce any man she wants. It's hardly surprising really. ''When I walk into a room I know that everyone's looking at me. Then I choose a man to home in on and go get

him!'' growls the 18-year-old temptress. ''I flash my eyes and throw back my hair, and while I'm talking to him I touch him as much as possible. It's very exciting watching the bulge grow in his trousers as I brush my

hand across his chest. I try to reveal my body with glimpses of pubes and pink nipples. And I never wear panties so when I open my legs he can see my cunt all wet and ready for him.

THE HIT LIST

number six

MOLLY RINGWALD

SHE'S THE SEXIEST TEEN
QUEEN EVER TO COME OUT
OF HOLLYWOOD.
ALLAN BRYCE
DROOLS OVER HER ROLES.

Right. Let's talk ugly ducklings this month. Not the ones that taste delicious when marinated in orange sauce. The ones that turn into beautiful swans like Molly Ringwald, the gawky young heroine of such popular teen flicks as *Pretty In Pink* and *Sixteen Candles*. By no stretch of the imagination could she be called beautiful, and yet there's something about her that makes grown men go weak at the Y-fronts. Good golly Miss Molly! Could it be that she reminds us of the schoolgirl tease we always wanted to meet behind the bike sheds?

Whatever the case, red-headed Molly is certainly no pouting sex bomb like most of our previous *Hit List* candidates. In fact those who would drink her bathwater have to be a bit careful who they admit their passion to: friends may start to look at them suspiciously.

Molly's mentor was that well known Hollywood wolf Warren Beatty, who found her when he was sniffing around to find somebody to star in a movie that never got made. He says he was struck by Molly's 'level of intelligence and spontaneity, the lack of affectation in her acting. And obviously her good looks.' Hmm . . . When asked about her relationship with Beatty, innocent little Miss Molly just winked and said: ''I'm expecting his child . . .''

Molly's been in showbiz since Warren Beatty was dating older women. But even though she's now an all-growed-up 21 years of age, she still seems to be stuck in a time warp playing the screen embodiment of the perfect American teenager: a thoroughly modern Miss who shops at Oxfam and does her hair with an egg whisk. She is cute, though not gorgeous, intelligent, insecure and individualistic – a real person who represents the ways, mannerisms and speech of today's youth. And we wouldn't mind marking her homework for her.

Pretty in pictures, she is prettier in person, the one young movie actress who can set teens queueing at the box office. Her punk-flapper look has already been imitated by thousands of 'Ringlets', her very own girl groupies, who pay tribute to their idol by dyeing their hair orange (as she does from its natural reddish-brown), smearing lipstick from nose to chin and dressing in her unique designer-junk fashion.

Her regular director John Hughes says: ''I think part of Molly's draw and what makes her so exciting is that she's natural on screen. She understands the emotion that her character is going through, then she taps into it and brings if off with great subtlety. You're looking at her emotions on the surface, but what you as an audience are really relating to is what she's internalising as a skilled actress. She's also got a smile that lights up the world.''

She herself says: ''One of the most important things about being an actress is to have a strong sense of your own experience, emotions and style. That's one reason I admire Diane Keaton. She has a real aura and personality, a style of her own. I like Jessica Lange, because she can be vulnerable and still strong. And from earlier movies, Carole Lombard. Her beauty wasn't exactly classic, but it was very sexy.''

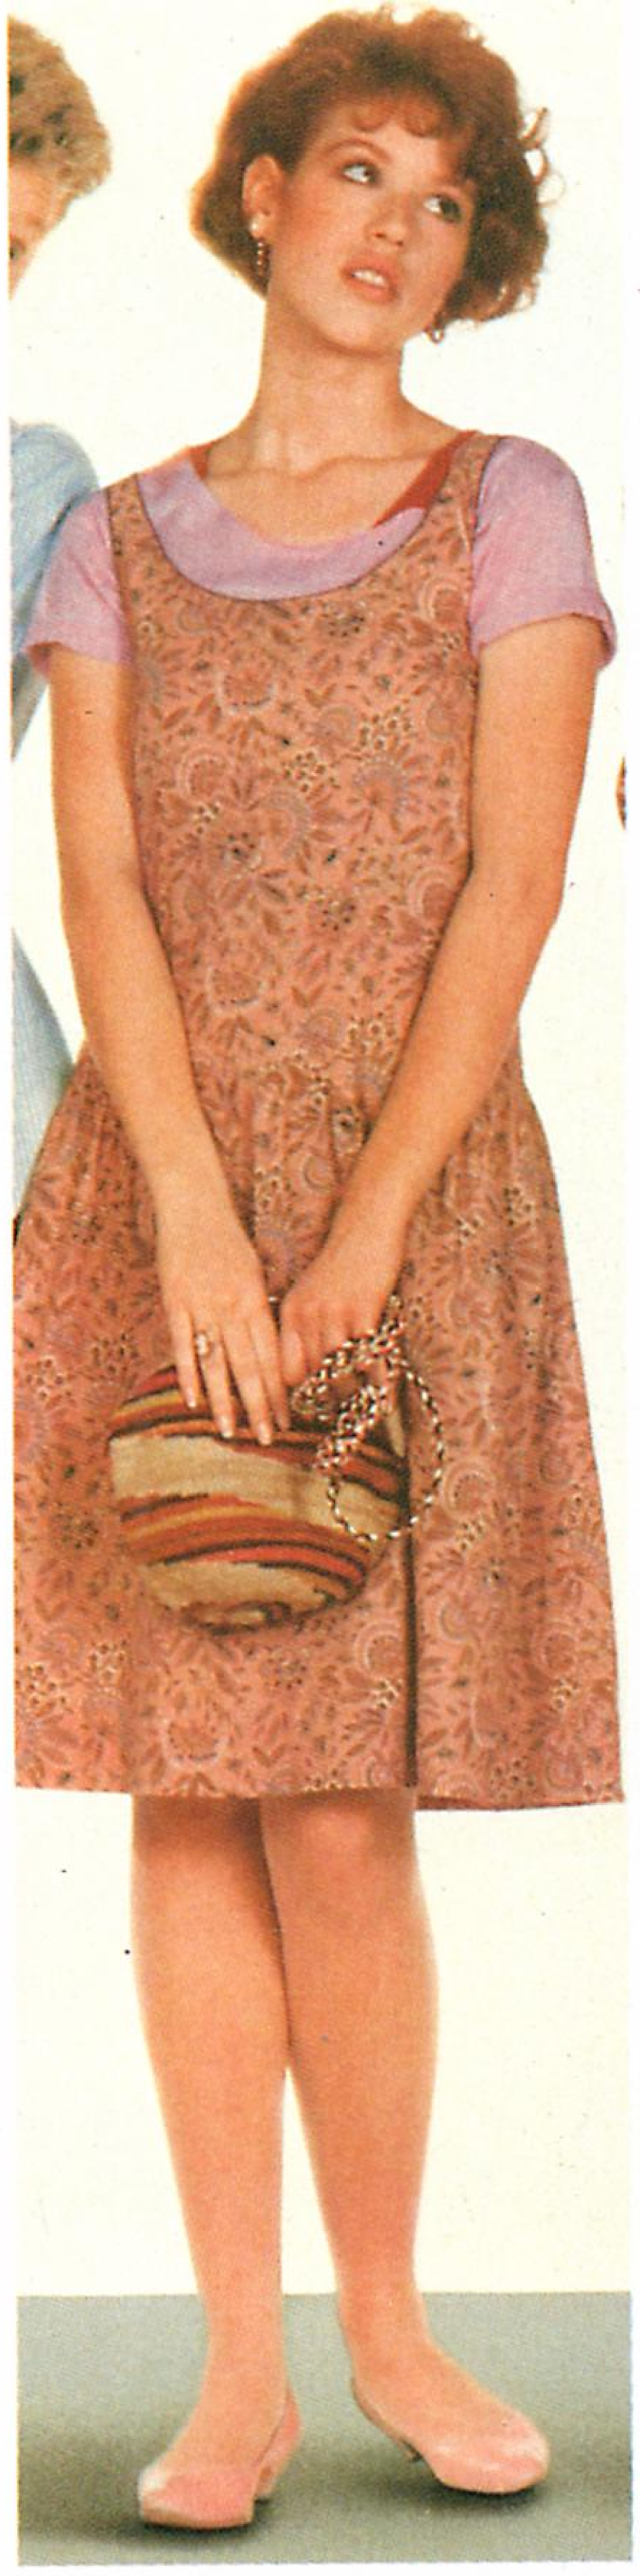
Right from the start it was obvious that Molly wasn't just your average little girl. She was able to sing before she could talk, serenading her toes in a language of her own invention. As a toddler in Sacramento she crooned to the local dogs and cats. One day while her father (a jazz musician) played boogie woogie on the piano she joined in with perfect pitch and phrasing. Soon she was on the stage of the California State Fair, her Dad's band backing her in a bluesy rendition of *You Gotta See*

Momma Every Night Or You Won't See Momma At All. The audience gave the three-year-old a standing ovation. Her Dad stood back and noted, ''Someday I'm gonna be known as the father of Molly Ringwald.''

By the age of six she had recorded an album: *Molly Sings.* At eight she turned up on *The Mickey Mouse Club (!)*, and the following year took the role of Kate in a West Coast production of *Annie*. Dragged in the wake of her steady rise to fame her family moved to Los Angeles, where Molly immediately snagged a continuing role in a girls' school sitcom called *The Facts Of Life*. It was axed after the first year and the young actress was devastated: ''I didn't work for a long time, which gave me a chance to grow up a lot.'' Good thing too: by now she was all of 13!

Her first movie role came in 1982 with *The Tempest*, where she played the part of a street-smart Manhattan kid nursing her father (John Cassavetes) through a marriage breakdown. To toughen her up for the role the producer Paul Mazursky moved Molly and her parents into an apartment in Greenwich Village for three months, later exiling them all to the remote Greek peninsula where the movie was shot. ''I'm sick of this place,'' she screams in one scene. ''I want high heels! I want Levi's! I want to go to a Go-Go's concert!'' And more than anything the character she plays wants a boyfriend. When one finally arrives via a convenient shipwreck she warns him: ''I'm not on the Pill or anything,'' before dragging him off into the bushes.

She got a Golden Globe Award for that one (and a poison ivy rash). Then, after a disastrous detour into science fiction (with a very silly role as a rubber-limbed character named The Twister in the 3D epic *Spacehunter – Adventures In The Forbidden Zone*), she found her niche in the popular teen angst movies of John Hughes, the self-styled 'Steven Spielberg of youth movies'.



Sixteen Candles was the first Hughes movie she starred in: the story of a gawky teen (Molly) who's just turned 16 and is looking for Mr Right amongst an unpromising bunch of schoolfriends. Would she fall for self-obsessed sophomore Michael Schoeffling or the nerdish Anthony Michael Hall – who in one of his more winsome moments asks if he can borrow her panties!? Acne-ridden audiences queued round the block to find out.

> *"I've never worried that my image in sensual roles would send a wrong message to my fans. Kids are going to be doing it anyway."*

The Hughes/Ringwald collaboration continued with *The Breakfast Club*, which the former wrote with a picture of Molly pinned to the typewriter. This was about a group of kids kept in school for Saturday morning detention and featured a Hughes-who of talented youngsters (Ally Sheedy, Judd Nelson, Emilio Estevez) who collectively were to become known as The Brat Pack. Ringwald played a spoiled virgin princess cornered in the locker room by the macho Nelson and asked: ''Have you ever been felt up? Over the bra, under the blouse, shoes off, hoping to God your parents don't walk in?'' She admits she has.

Molly was at her cutest in *Pretty In Pink*, where she played a kid from the wrong side of the tracks who dressed in handmade clothes, worked in a record shop, and lived in a modest home with her unemployed father. At school she and her poor pals are tormented by the 'richies'. But she couldn't have been all that badly off, because she drove around in a sports car and had her own answering machine – conveniences not usually associated with the financially downtrodden.

More recently she has graduated from roles like these and into more mature parts, such as the pregnant heroine of *Maybe Baby* and the small town tease of *Fresh Horses*, a picture that was supposedly going to contain her first nude love scene – until Molly scotched the rumour. Not that she thinks there's anything wrong with nude scenes. ''I'm becoming increasingly aware of my body as I get older,'' she says. So are we.

She goes on to explain: ''I've never been worried that my image in sensual roles would send a wrong message to my fans. Kids are going to be doing it anyway.'' In fact Molly wants to promote safe sex among her young following. ''I believe very strongly in condoms and all that. AIDS awareness is with us now, although I hope it won't scare film-makers away from tackling sex as an appropriate subject.''

We hope so too. It now seems that Molly's days as Everybody's Favourite Teenager are over. She has washed her hands of the Brat Pack and recently started her own production company to start projects of a more adult nature. Despite her youth she insists she has a keen sense of the importance of new challenges. ''A lot of people, when they're successful, just want to stay with that and don't want to take a step,'' she observes. ''I want to take chances. There's nothing to gain if you don't take risks now and again.'' Right on. The ugly duckling has grown up – and we're still quackers about her.♣

Cindy

Cindy's a walking, talking, shagging doll, and sensitive with it. "I've got a very sensitive body, especially my tits," she said when we caught her doing this shoot on Brighton beach. "When I'm in bed alone, which isn't often, I only have to touch myself lightly around my nipples to make me desperate for a good shafting. Of

course my tits aren't my only sensitive parts so when I was flaunting my body it felt very sexy and wanted to be touched,'' she confesses. ''There's nothing like a good stiff prick to get me damp between my legs. That's another thing; most men find my legs absolutely fascinating. Maybe that's why they spend so long between them!'' ♣

Women's Writes

Where the girls get down to business

YOU'RE THE BOSS

I have this thing about wanting to dominate men. I'm not talking about sadism or anything here, nothing perverted. I just like to be in charge in bed, and I like the blokes I fuck to know that I'm in charge.

At first, I'm always a bit wary of letting them know how I like my sex. But my current boyfriend must have been sent from heaven or something, because he's exactly what I've always wanted. And I found that out the first time we fucked.

I hadn't known him long before we first went to bed together, but I soon found out that he liked nothing better than to be ordered about and to do my bidding. He laughed a bit sheepishly when he confessed it to me (we were both rather drunk at the time), and said he supposed there must be some deep Freudian explanation for it, but he just loved to be dominated by women. He was practically begging me to tell him what to do, and of course I was only too happy to oblige.

''Get on your knees,'' I told him, trying to make my voice sound forceful, which was a bit difficult when it was quavering with excitement. ''And take off all your clothes.'' When he'd done this I walked slowly round him, inspecting his body from all angles. His thick cock was sticking out like a big sausage, bobbing up and down as he tried to control himself.

''Hmm, you'll do,'' I grinned at him. ''Now get up and undress me, slowly.'' I was getting so excited by this time I could hardly control myself, and trembled as he slowly and carefully removed all my clothes, gasping as he drew off my panties and saw that they were already soaked with my juices.

''Sniff them,'' I ordered him, ''so you know what a treat I'll be giving you, even though you don't deserve it.'' He held the panties over his face and breathed in deeply. The smell of my love juice filled the room.

By this time he was almost desperate to fuck me, I could tell. I was getting that way myself, with my cunt juiced up and my nipples standing out, so I ordered my new man to suck my tits while I worked out how to finish the job while still keeping my dominant role. It was proving difficult because he was turning me on so much licking and nibbling my boobs! But my cunt was demanding some attention, so I pushed him to his knees and ordered that he lick me out. ''And you're not allowed to come until I say so,'' I reminded him.

That seemed to turn him on more than ever, though I could see he was having a hard time stopping himself from spunking. He set about licking out my fanny with a vengeance, really tonguing me hard and fast. Soon my juices were covering his face and I had my orgasm.

Now I wanted a good shafting so I let him give me one – but I still wouldn't let him come until I was good and ready. It was well worth the wait when he unloaded what seemed like an endless stream of hot come in my cunt when I gave him my permission. Since then I've been giving him my orders on a regular basis, and we both thoroughly enjoy every minute. – *Delia, Windsor*

TEACHER'S PET

I teach at a local junior school where two years ago a new caretaker was appointed. I know it's a cliché, but this young man really was tall, dark and handsome. As Deputy Head I obviously had a lot to do with him but at first it was strictly business; only gradually did I realize that he had beautiful eyes with long lashes, broad, muscular shoulders and strong, athletic thighs.

I spent a lot of time imagining what he was like under the loose-fitting T-shirt and tight, faded, blue jeans which he would often wear. I considered seducing him, but thought of the possible damage to my career – but then an unmissable opportunity presented itself quite out of the blue.

Before the end of the summer term the PTA held its annual cheese and wine party. It always finishes late and usually the Head locks up and drops the keys off at the caretaker's house. However, last year the Head was ill and the responsibility became mine. I knew I would never have a better chance.

Recently I had bought a lacy white corset, threaded through with red ribbon, and I had spent time on a sun bed compensating for the lack of sun that summer. Though I say it myself I'm a very fit 38-year-old, and as I attached my fine white stockings to the corset's long, lacy suspenders I knew I was going to seduce Roger (not his real name, obviously). I slid my feet into high-heeled red shoes and wriggled into a bold red dress which matched my lipstick.

As you can imagine, the function dragged by until at

last people began to leave. By midnight the last car was pulling out of the drive and I caught a glimpse of Roger's tall, sturdy frame striding towards the hall. I went back inside, started to switch off the lights and pretended to do some clearing away. Roger came over to the makeshift bar and we exchanged some trivial comments. I was determined not to leave without satisfying my lust – but I wasn't sure how to go about it. Fortunately, he made the first move.

''You look wonderful!'' he said, and slid his arm around my waist. I moved close to him and pressed against him. His manhood lay stiffly between us as I looked up into his eyes.

I ran my fingers through his thick, black hair and gently kissed his lips. He responded sensitively, his kiss soft, searching and exciting. His hands moved slowly to my breasts and I knew he could feel the corset beneath. I could feel myself getting wetter and wetter with desire and excitement.

My hand strayed to the front of his jeans and I noted with deep satisfaction how his knob was straining against the material. I began to fumble with his belt as he expertly unfastened the buttons of my dress. His hands feverishly assisted me out of the dress which ended up on the bar. I moved to switch off the remaining lights but he stopped me. Hastily he finished off removing his shirt and jeans. I could see his taut, glistening penis rearing up well clear of the band on his boxer shorts.

He sat on the edge of a table and pulled the shoulder straps of my corset down, then sucked and caressed my nipples until I thought I would come. I knelt down and tore off his boxer shorts. His large, brown cock sprang free and I kissed the purple, swollen tip whilst fondling his balls. He leant forward and kissed my neck, saying he'd longed for the moment, that he'd wanted to open my legs and kiss my moist pussy but he'd never thought it would come true. He then lifted me so that my bottom was on the edge of the table and ran his fingers over my stockings and suspenders.

Eventually he could wait no longer and roughly pulled my sopping briefs to one side. My sex lips were red and swollen, and with a deep groan he thrust his magnificently swollen cock straight in without the least difficulty. His balls slapped against my moist backside. I wrapped my stockinged legs round his broad back and dug my nails into his shoulders. He kissed and kneaded my breasts and lifted me off the table.

We rolled around on the floor until I found myself on top. His superb chest and shoulders were glistening with sweat as I rode him like a jockey rides a thoroughbred. I tried to tease, but neither of us could wait for the orgasm that had been two years in coming. In one swift movement he turned me on to my back and screwed me to the floor with powerful thrusts. The orgasm was mutual and fantastic and we both lay breathless.

I've not seduced anyone since then, but I've been tempted. – *Anon, Nottingham*

TOSSING AND TURNING

Up until the age of nearly 19, I had a thing about wanting to stay a virgin until I 'settled down'. Don't ask me why! I certainly had the same urges as my girlfriends, and I think I must have masturbated almost every day from about the age of 16. While most of my friends were having it away with older guys I was, rather immaturely, still going out with blokes from my college, all of whom were still virgins themselves.

Despite my obsession about my virginity I was highly sexed and adored heavy petting sessions that always ended up with me and my boyfriend naked and doing everything short of shagging. I have to admit I got a real thrill wanking my boyfriends, and because they were so inexperienced they didn't insist on bonking. Anyway, I was so expert at tossing them off that they were more than satisfied, and eager to bring me to a climax too, by rubbing and licking my pussy. I came very easily and so intensely that I wanted to pleasure boys by wanking them too. I loved seeing the come flying out of their bursting cocks.

I remember one boy who, although he was over 18 and very good-looking, had hardly been out with any girls. I could tell when we started necking by the time it took him even to start feeling for my full, young breasts. He had a hard-on from the minute I touched him. When I opened my blouse and finally showed him my flushed bosom, I realised he probably hadn't even seen a girl naked before. I relished the thought of what I could do to him!

We were soon down to our underwear once my mind started working. His hard-on was sticking out of his underpants and I peeled them off, careful not to touch his swollen, far from boyish prick. I knew he wouldn't last a minute if I wanked him, so I made him lie on his back and knelt over him on all fours. I dangled my tits in his face and then lowered them over his neck and chest. Teasingly, I moved my boobs up and down his body, just touching his skin with my nipples and my titty-flesh. Moving down, I could see his erect tool, throbbing with excitement, then I lowered my tits on to his dick and just brushed it with their softness. I only had to do this a few times before he shot an immense load of spunk up his belly. His cock twitched so much that some of it even shot up and caught me on my neck. Licking my lips at him, I dangled my tits into the pools of come on his body, and the sticky cream stuck to them. And I couldn't resist lifting my tits up to my face and – just about – licking some of his spunk from my red nipples.

After that I showed him what was his first pussy, and he was very tender and attentive in giving her the stroking and licking she loves. I think seeing me coming so heavily made him hard again pretty quick, and I took him in my hands and caressed his long, thick tool with my fingernails. I savoured the thought of wanking him slowly. Making an 'O' shape with my forefinger and thumb, I rubbed up and down the length of his dick, barely touching his skin, but chafing against the ridge of his lovely, circumcised purple knob-end.

I did this for well over half an hour while he played alternatively with my tits and fanny: in fact I lost my rhythm when he brought me to another climax with his fingers tickling my clitty. Eventually, I could tell he was dying for release, and started to sense little jerks in his cock. As his jizz twitched out in two or three long streams I held my face in the path of the adorable cock-juice. I don't know what I'd have done after that, but we had to get dressed rather quickly when I heard my parents coming home.

I went out with that boy for quite a while, and we both loved our mutual wanking sessions. I brought him off in every way imaginable. I think his favourite was when I did what I'd done the first time I'd made him come for me. I also loved rubbing the length of his dick with the soft, warm inside of my arm, which he said felt like velvet.

I enjoyed countless boys like this until I was nearly 19, when suddenly, as I was wallowing in the pleasure of my boyfriend rubbing his cock between my bum-cheeks, I thought about having my pussy filled with cock-meat, and all thoughts of keeping myself pure vanished. ''Push your cock up my cunt, please!'' I shouted, and my boyfriend, though used to my rules, needed no further encouragement. His dick slipped in effortlessly, and I crouched there on all fours, filled to the end of my cunt with rigid, thrusting cock. My eyes nearly popped out, and I orgasmed instantly – my much-wanked pussy was more then ready! As we hadn't taken any precautions, and my boyfriend's thrusting became more urgent, I shouted, ''Come over my arse, let me feel your come-spray.'' I think I orgasmed again as his hot spunk covered my cheeks.

There was no looking back after that for me! I still love a long wanking session with my guys, though more often than not it now ends with me getting my cunt shagged nearly sore too. – *Sharon, Gloucester*

her cunt completely clean after I'd had my own orgasm.

That night we left the American guys' room a bit quickly, partly because they were getting a bit too kinky for our liking, but also because we wanted to be alone together. It was a bit of a close call coming out of the hotel grounds; as we walked along with our arms round each other, I spotted a friend of my father's. We had to hide in the trees until he went past, and we were soon fingering each other as we stood hidden in the grounds.

Yee Lin had asked me to go over to her house the next day, as both her parents would be out all day and we could have their large house to ourselves. She admitted to me that she'd been planning to seduce me that day, but the episode with the American guys had brought things forward a bit. Still, I was only too happy to agree.

The next day was boiling hot, and so I deliberately wore as little as possible as we sat by the pool. Yee Lin's parents had a real luxury place with beautiful views all over the city, and some lovely gardens just by the pool. By midday it was baking hot, and Yee Lin and I were down to just our panties as we sat having a few drinks. I was wondering when she was going to make a move towards me, but it seemed that she'd decided to play a few games. As we sat and discussed our exploits of the night before, she gradually started to talk about fucking me.

"I loved feeling your tongue up my pussy, Lizzie," she told me, reaching over to stroke my thigh with one of her long nails. "It made me feel so randy, so juicy. I frigged myself all last night thinking about what you did to me. Let's do it again today."

Of course I readily agreed, but before I could make any move to touch her, she moved away. "Not yet," she told me. "I had an idea last night while I was playing with myself – it just turned me on so much I wanted to try it out with you right away. I could hardly wait for today, but I've got to go and fetch the things I need for it. Will you trust me?"

I nodded. I couldn't wait to see what she'd planned for me, but knowing Yee Lin it would be something really horny. I got up and paced restlessly around the pool as Yee Lin went into the house. I'd left a little patch of love juice on the patio stones – just sitting there remembering what we'd done the night before had got me so randy. I leant over the balustrade which ran round the patio wall, shifting my weight from one foot to the other as I waited for Yee Lin to return, and idly played with my nipples, tweaking and pinching them to hardness. I must remember to ask her to suck them, I thought. That would turn me on incredibly.

I was so impatient for her I was fingering myself slowly when she came back, carrying a plastic bag in her hands. I was dying of curiosity, and the smirk on Yee Lin's face as she came towards me told me I was in for a real treat.

"I want you to promise me one thing," she told me, eyeing my hardening nipples with relish. "You'll let me do anything."

"Anything, if it's as good as it was last night," I quickly promised her. "It's going to be dirty, isn't it?"

"Very!" she grinned at me, and sat me down on the patio before kneeling in front of me. "But I can guarantee that you'll really enjoy it."

As she said this she got out a plastic razor from her bag, and with it a can of shaving foam. It was then that I realised what she was intending to do.

"I love women with bare pussies," she told me. "Lots of Chinese women have them, you know. They're so much better for licking. I've always wanted to shave one."

"Why don't you shave your own then?" I asked her, spreading my legs in anticipation.

"I will if I can find someone to do it for me!" she replied. "Now be quiet so I can start on your cunt."

I lay slightly back, holding my thighs apart to give Yee Lin full access. She got hold of the can of shaving foam and sprayed it liberally over my pussy hair and cunt lips. The shock of the cold foam against my hot, wet lips was nearly enough to send me into orbit anyway and I shuddered as Yee Lin poised the razor above my moist pussy.

"Ready?" she asked.

"Oh God, yes," I moaned, lying right back and spreading my legs as wide as I could. "Shave my cunt!"

The first touch of the razor stung a bit but I hardly noticed it after a couple of minutes. Yee Lin was running it across my pussy mound with long, firm strokes. She started at the top of my pubes and drew the razor down. I could feel the hairs on my snatch being drawn off, and occasionally Yee Lin would wet the razor and drip cold water on to my cunt as well. My pussy was tingling so much I couldn't move. I just lay there trembling at the sensations that were going through me – I'd never felt anything like it before. It was as if dozens of rough tongues were rasping all over my pubes and fanny, licking me all over. Yee Lin's hand was trembling a bit as she wielded the razor, but perhaps that was just because my cunt was trembling too.

I could hear someone moaning and I realised it was me! I was really panting by now, gasping as the sensation of my first orgasm built up. Yee Lin hadn't even touched me, or tried to finger me or anything, but yet here I was having one of the most intense orgasms I'd ever had. It seemed to centre round my cunt, which by now felt like it was on fire, and rippled outwards all through the rest of me. My tits were heavy, my nipples hard and thrusting out from them, and my legs were twitching uncontrollably. I panted very hard suddenly and let out a hoarse cry. I could feel my juices running out of my fanny, mixing with the shaving foam. I opened my eyes and watched as they made a pool between my legs.

"I'd lick you out right now," Yee Lin told me, sitting back to admire her handiwork, "only shaving foam doesn't taste so good." I looked down between my legs and where there had been a fairly luxuriant growth of pubic hair, I was now completely smooth, right up to my cunt lips. Every hair had gone. I ran my fingers over it, feeling how silky smooth it felt and also how much more sensitive my cunt was now that the covering of hair wasn't hiding it. Another ripple of orgasm went through me, and I quickly worked my clitty, which could now be clearly seen, with my index finger until I came again in front of Yee Lin. It didn't take much, I was so worked up.

Yee Lin explained how she'd learnt this trick from the banker's wife. "She likes me to be smooth, you see," she told me, "and she did that for me the first time I went with her. But now I want *you* to do it for me."

I didn't need any encouragement, and picked up the can of shaving foam. I pointed it at Yee Lin's cunt, which was already glistening at the thought of what was in store.

"Quickly, I can't wait too long," Yee Lin urged me, lying back and spreading her legs wide. With a trembling hand I directed the can right at her cunt, and was rewarded with a gasp of pleasure as the cold foam hit her right on the lips and splattered over her pussy mound. I coated her cunt very liberally, using my fingers to massage it right into her pubes and cunt lips. Her hips were jerking by now, and I told her to be careful as I was about to use the razor and didn't want to cut her.

"Just do it," she ordered me. "I want to feel that razor on my cunt." So I started to shave her, using the long, firm strokes that she'd used on me. I could hear the rasp of the razor and her little moaning gasps as I shaved off all her short curling pubes. As I did so I got a couple of fingers into her horny snatch and brought her off several times. She was almost crying with the force of her orgasms, bucking her legs wildly. In the end I abandoned the razor and just started to finger her vigorously. She was kneading her tits as she

Holiday Blues

A very close shave

I want to tell you about something which happened to me when I was just 19. My parents live in Hong Kong, and as I was at college in London then I used to stay with them in the holidays. I love the fast pace of life in Hong Kong, the atmosphere of the markets during the day and the clubs at night, and the hot climate. But most of all, since this incident occurred, I enjoy lesbian sex with Chinese girls.

I don't think I'm a lesbian, and I can't really understand how I got involved with a woman in the first place, as I love fucking men, and have no hang-ups about sex. But I'm certainly glad that I found out what it's like to screw girls.

The first girl I fucked was a Chinese girl I met when I went to stay with my parents a couple of summers ago. I met Yee Lin in a club one night, and we quickly became firm friends, and more.

I'd gone down by myself in the hope of meeting some interesting men, but I wasn't having much luck. Yee Lin was obviously there for the same thing, and we got talking at the bar. Seeing the two of us together seemed to have a magical effect on the men in there, because suddenly we were getting chatted up left, right and centre. After that, we went out together nearly every night, and had more than a few *very* interesting encounters.

But I'd never really thought about fucking Yee Lin until we started swapping stories about our sexual experiences. I'd slept with a lot of men, but I was a novice compared to Yee Lin. And then she started to tell me about her lesbian encounters.

''We Chinese are much more open about that sort of thing than you stuffy British!'' she laughed, as she described how she'd been bedded by a rich, middle-aged banker's wife who wanted a nice young Chinese girl in her bed while her husband was away on business. ''Do you mean to tell me you've never done it with a woman at all? I'm sure you'd enjoy it, you know.'' As she said that she looked at me and I could feel my cunt really juicing up. That surprised me because, as I said, I'd never really had the urge to screw a woman before.

After that, I didn't really know what to do about Yee Lin. I knew that I really fancied her, but I didn't want to make any sudden moves in case I spoiled anything. We still carried on going to clubs every night and picking up different men, taking them home and letting them fuck us rigid. But one night something happened that changed things.

We'd picked up these two American businessmen in one of our favourite clubs, and they'd taken us back to their hotel and sneaked us up to one of their rooms. We were both getting down to it with our partners, and I'd come several times when I heard one of them make the suggestion that he'd like to see the two of us ''doing it'' with each other. I almost froze in shock, but Yee Lin didn't seem at all put out by the idea. She took the cock that she'd been sucking out of her mouth and got up off the bed.

''Come on then, Lizzie,'' she said, walking towards me. ''Why don't we give the boys what they really want?'' Without giving either of them a second glance she pulled me to her and immediately knelt down, pushing a couple of fingers into my wet snatch and nuzzling my pubes. My cunt was already dripping with the American guy's spunk, but I could feel an intense rush of my own juices as Yee Lin pushed her fingers up, down and around in my cunt.

''Lick me,'' I heard myself saying. ''Lick out my cunt.'' The two American guys were giving loud whistles and noises of encouragement but I hardly noticed them as I felt Yee Lin's tongue running through my pubes, brushing my clitty and then burying itself right into my snatch. All I could do was stand there gripping her head and having climax after climax as she licked and sucked at my fanny.

She looked up at me when she'd finished, her face grinning and smeared with my love juice. She'd been busy frigging herself while she'd been bringing me off, but I wanted to finish her off myself; I'd never felt such a strong urge before. I don't really remember how we got on to the floor in the 69 position, but soon I was on all fours on top of Yee Lin with my legs clamped round her head, dipping my tongue into her juicy pussy again and again as she thrust her hips up to it. Her pussy mound was covered with a bush of black curly hair and I was running my fingers through it as I licked her out. She shouted out loud as she came, and I felt a little spurt of juice in my mouth. She tasted lovely, and I spent quite a few minutes licking

came off more times than I can remember, shouting filthy language as I know she likes to.

After that, the rest of the day was spent fucking in and by the pool. I can't begin to describe the delight in having a bare pussy – it just made me so much more sensitive, as if I could feel Yee Lin's tongue and fingers a million times more strongly than before. Unfortunately her parents came back unexpectedly early that day, and almost caught us fucking in the pool, but we managed to get ourselves into the house before they spotted us. Obviously, we carried on fucking each other the whole time I stayed in Hong Kong, until I had to go back to college.

Yee Lin's parents had an arranged marriage for her with one of her father's business associates, so I didn't see her for a couple of years, but last summer when I'd finished college I met up with her again. She was glad to see that I still carried on the practice of shaving my cunt, but as we got into bed together again I had to agree that having her shave it for me was a thousand times better. We've been screwing – and shaving – behind her husband's back since then, and we've certainly had a few close shaves! – *Lizzie, Hong Kong*

Couples Confess

After the success of our series by the Braddons, we were deluged with letters from other randy couples. So we decided to make a feature of all your dirtiest, real-life couples confessions.

I've always got a kick out of looking at pin-up pictures so, since I'm a keen photographer, I take quite a few pictures of my wife in various states of undress. Of course, it's only the topless shots and the views of stockings and bare bums that I get processed at the local chemist's. For the harder stuff we usually use a Polaroid camera.

Take our most recent session, for instance. Paula and I had been out for a drink and she'd been pretty provocative all evening in a short skirt that showed lots of leg and a flimsy blouse that had more buttons undone than fastened.

She turned me on so much that when we got home afterwards I suggested a photo session. "Fine by me," she said. "Get your Polaroid and I'll do anything you say."

So we started. I clicked away happily as Paula leaned back against the dining table, her head thrown back, her long dark hair hanging down, and her gorgeous big boobs jutting out under her blouse.

She turned round and bent over the table, hitching her skirt up to her bum so that I got a nice snapshot of stockings, suspenders and tiny see-through black lace knickers. Then she turned round to face me again, unbuttoning her blouse completely, pulling up her black lace bra, cupping her boobs in her hands as she tried to lick her nipples with her tongue.

Soon the blouse and bra were cast aside and not long after she stepped out of her skirt. She pulled her knickers up high at the sides so that they were as tight as possible over her cunt and right up the crack of her arse. A few more shots and I was feeling randy. So was Paula.

She pulled off her knickers and stood before me in just her black suspenders, stockings and high-heeled shoes. "Now for some *really* horny shots," she said. I put another film in the camera and stripped off to my boxer shorts. "OK, I'm ready," I said.

Paula bent over with her arse towards me again. Her hands grasped her buttocks and pulled them apart, giving me a good clear picture of her cunt and anus. Then she rubbed the lips of her cunt with her fingers and eventually slipped one inside. She went over to the table again and lay back on it, raising her legs in the air, grasping her ankles in her hands, and pulling her legs as far apart and as far back as they would go. Quite a picture, that one.

Next, keeping her legs in the air, she pulled her cunt wide open. Then she put her legs down, pulled her feet back to her bum and let her knees flop right open again. She gently took the lips of her cunt in her fingers and pulled the folds of skin as far apart as she could.

"That's just great," I said. "I'm getting some fantastic pictures."

"What shall I do next?" she asked.

"How about using a vibrator?" I replied.

So while I ogled my mounting collection of sordid photos, Paula fetched her favourite vibrator. It looks just like a real cock but it's twice as big.

Bum towards me, she bent over and, steadying herself on the sideboard with one hand, she eased the end of the vibrator into her cunt with the other. She moved her legs wider apart and stuck her bum out so I got a better view. I'm always amazed how much of that thing she gets inside herself. Not bad, watching her pump it in and out of her juicy hole. She knows I like watching so she always puts on a good display.

I took another couple of pictures, which left just one shot on the film. I put down the camera though, for by now I was too turned on by Paula's randy antics to take

any more pictures. I decided to give her a hand with the vibrator so I took hold of it and worked it in and out, my movements getting stronger all the time.

"Give it to me, Jim," she said, still bending over. "Push it in hard . . . harder still," she gasped, as she pushed herself against the rubber cock to get it right inside.

It was time I gave her a feel of the real thing. I withdrew the vibrator from her cunt that now gaped wide open, glistening with her juices. My rigid cock was already sticking out of the front of my boxer shorts so I slid it straight inside her as far as it would go.

"That's great," she said. "Now push as hard as you can. I love to feel your strong, hard cock moving inside me." As I pushed, I shifted my position slightly – first to one side, then the other – so that my cock went in at an angle each time.

Then we changed positions. Paula turned round and balanced her bum on the edge of the sideboard while I stood between her stocking-clad legs and rubbed the end of my cock up and down her pussy. As I slipped my tool inside her again she put her arms round my neck and clamped her legs around my hips. I thrust deeper and deeper into her. Between the thrusts I withdrew my cock and paused, tantalizing her till I could see she was longing for another cuntful, then I pushed right in again as far as I could go. When I was right inside I gyrated my hips so my cock moved in all directions within her cunt, then I withdrew again and paused once more before plunging into her yet again.

Each time my cock slid into her she let out a moan and dug her fingernails lightly into my shoulders. Her boobs flopped against my chest and I clutched the cheeks of her bum in my hands as I shafted her with regular but forceful movements. She nearly slipped off the sideboard as she started to jerk her hips with orgasm. But I steadied her and impaled her again and again on my rigid cock as the orgasm welled up inside her till her whole body writhed with pleasure.

As she calmed down I let go of her and she sank to her knees in front of me. A moment later she was wanking my cock with one hand and cupping my balls in the other, her face just an inch or two from my throbbing shaft. I could hold my load no longer and I felt it spurting out on to her face, her neck, her boobs – jets of it streaking her beautiful soft skin.

What a sight she was, covered in come from nose to nipple. She massaged it into her boobs with her fingertips and licked it from the corner of her mouth with her tongue. I was quite shattered, but then I remembered that I had one picture left on my Polaroid film. I grabbed the camera and took the last shot – Paula soaked in come, and licking blobs of the white stuff from her lips.

As I said, I like looking at horny pictures so I often carry a few of these photos of Paula around with me and have a peek at them from time to time. They help remind me what a sexy wife I have.

Anyway, one Saturday evening Paula and I were visiting our friends Graham and Sue when a couple of photos of Paula's speciality performance fell out of my pocket. We were sitting having a drink and chatting, you see, and I decided to take my jacket off. I put it on the chair arm at the side of me but it fell off, and out of the pocket came two pictures of Paula – one where she was pushing a vibrator up her cunt and one of her covered in come.

Actually I felt a bit embarrassed at first, and so did Paula, but Sue soon put us at ease. "So Jim likes to take pictures of you does he, Paula?" she said. "That's just like Graham. He's always taking horny photos of me.

"Let's have a look," she said as I picked the photos up. "Great. Hey Paula, you look as if you were enjoying it. Why don't you show them some of the pictures you took of me, Graham?" she said.

"Sure," he said, and got a box out of a cupboard in the wall unit. "How about these, Jim?"

He picked out a series of about ten pictures. The first one showed Sue sitting naked, legs spread wide, with a razor and a can of shaving foam in her hands. The rest were close-ups of Sue's cunt at various stages of being shaved, with a final picture showing Sue stuffing a vibrator up her shaven snatch.

Paula had a look too. "Not bad," she said. "You know, I've never shaved myself like that."

"Really?" said Sue. "Graham likes me smooth and hairless. I'll have to show you sometime."

"Why wait?" asked Graham. "You can show Paula right now. I'll get my camera and we can have another photo session."

"OK," said Sue. "Why not? And Paula can join in too if she likes."

"All right," said Paula. "Let's give these guys a bit of entertainment."

What followed was certainly entertaining. Paula and Sue did a double striptease, but they didn't take off their own clothes. To add a bit of spice, Sue unzipped Paula's dress, Paula unbuttoned Sue's blouse, Sue unclipped Paula's bra, Paula unclipped Sue's and so on. There was plenty of giggling, bum wiggling and tit wobbling as they pulled off each other's clothes. Paula unzipped Sue's tight skirt and pulled it down, Sue pulled down Paula's knickers, and Paula pulled off Sue's G-string to reveal her luscious shaved cunt. All this time Graham was taking photos and I was sitting back enjoying the show.

Paula and Sue both turned their backs to us, bent over and pulled their bum cheeks apart. Two cunts gaped open invitingly. Next they were on the floor side by side, holding their cunts open for a few close-ups.

Then Sue got a couple of dildos out of a drawer and soon our wives were pushing artificial cocks inside each other. You should have seen them. They really worked themselves up into a frenzy, kissing each other, stroking boobs, sucking nipples, and pushing the dildos in and out.

Paula was now lying on her back and Sue was crouched on top of her facing the other way. Paula was working the dildo in and out of Sue's cunt. It sure seemed to go in a long way, and judging by the noises Sue was making she was really enjoying it. As she pushed the dildo in, Paula was licking at Sue's cunt too. Sue's shaven pussy and Paula's face were wet through with saliva and cunt juice.

At the same time, Sue was pushing a dildo up Paula too, and I noticed one or two fingers disappearing inside as well. Paula likes her cunt as full as possible.

Eventually the two of them started gasping loud, their bodies trembling. Then the dildos started getting shoved in really hard and a few moments later Paula and Sue collapsed in a heap, their bodies jerking with lust as they had their orgasms together. Afterwards they lay back caressing each other.

Graham had taken some really fantastic photos as all this had been going on. The place was littered with Polaroid pictures of cunts and dildos.

''Great stuff,'' I said, ''but mind you, I'm feeling as randy as hell.''

''So am I,'' he answered, ''and I want to get at least one picture of Sue covered in come like you have of Paula.''

Graham and I stripped off our clothes and went over to our wives with cocks as stiff as baseball bats. I gave Paula a real good shafting and she climaxed again, but since Graham is such a good mate of mine I wanted to save my spunk to help him with his picture of Sue.

This time it was Paula who took the camera and reloaded it. She photographed Sue bent over with her husband screwing her at one end while she sucked me off at the other. She photographed Sue getting licked, poked and fucked by the two of us in all sorts of places. And she photographed Sue kneeling on the floor with Graham and me at either side of her, both our cocks in her mouth at the same time.

Paula was ready with the camera as Sue sucked Graham's cock and wanked mine, then wanked Graham's and sucked mine, then stuffed both in her mouth and wanked them together. Then – just as she sensed we were both about to come – she cupped our balls in her hands and gently rubbed them while we wanked ourselves. She threw her head back, grinning as she waited for us to jerk off on to her face.

Paula moved in close to take the final picture. Graham and I began to come. Jets of sticky white stuff went all over the place. They shot across Sue's laughing face from both sides. Come splashed on to her cheeks, her forehead, her mouth, her chin. Blobs of it were in her hair, and her throat and boobs were covered in it. She smiled at Paula for the last picture. Then Paula joined us, licking the remaining come from my cock.

Finally, Paula and Sue began kissing and caressing again, rubbing their bodies together so the come glistened on four gorgeous tits instead of two. And Paula rubbed her face against Sue's, covering her own face.

Graham and I were keen to see how the picture of the come-drenched Sue had turned out. It should have been a really horny shot, but all that we could see was a big dark blob.

Paula looked at the camera. ''Oh no,'' she said. ''One of you guys sprayed come on the lens. You should watch your aim.''

''And that was the last picture on my last film too,'' Graham said despondently.

''Never mind,'' said Paula.''That means the four of us will just have to have another photo session together sometime.''

''Yes, of course,'' Sue said to her. ''Jim and Graham can save themselves up all week for it, then you and Jim can come round next Saturday and you can take photos while the two guys fuck me again.''

''No way,'' Paula replied. ''We'll come in a fortnight's time.''

''Why a fortnight?'' Sue asked.

''Because next Saturday you and Graham can come round to see us and you can take the photos while the two guys fuck *me*,'' Paula answered.

And that's exactly what we did. – *Jim D, Glasgow*

''I desperately want to have sex in every capital city of the world! From Madrid to Mexico City I want to whip off my knickers for the

local talent. It would have to be a genuine countryman so I could compare what they get up to. I've got off to a great start in London! I also travelled to Dublin and it wasn't the Blarney Stone I got my lips around, I can tell you!'' So where next on your search to find the perfect lover, we asked our intrepid 22-year-old? ''I'm packing my bags for a visit to Egypt to sample a bit of Eastern promise.'' So if there's a horny Arab who'd like to get his hands on her pyramids, she's willing!''♣

FIND LOVE WITH datalink

BRITAIN'S FOREMOST & LEAST EXPENSIVE

NATIONAL COMPUTER DATING AGENCY

Jayne & Andrew (Merseyside)
Andrew & I are totally compatible.... and very much in love..... He was the first person I contacted..... incredibly he lived in the very next road.

NO MATTER *where* you live, or *who* you are, DATALINK is able to find you ample LOCAL introductions .... all *personally* selected by our experienced Staff.

WORLD ASSOCIATION WAIA INTRODUCTION AGENCIES

LAST YEAR, Datalink spent more on National Press Advertising --to guarantee you *partners near-home* -- than any other Agency in GREAT BRITAIN.

FOR DATALINK does not cater only --or even largely-- for the London Area ... but for the whole of the British Isles.

THAT'S WHY Datalink is large ... so obviously successful ... so competitive ... and so up-to-date

Look at the facts:

- Our STAFF SELECT your Introductions themselves --*not* a large *automatic* mainframe computer.
- Our STAFF CHOOSE *LOCAL* contacts ... often on your doorstep. (We don't use *mini-maps* of Britain ... with large squares ... covering *huge* areas --for you to 'draw around'.
- AND significantly

ONLY DATALINK GUARANTEE MEMBERS AT LEAST THREE SUITABLE CONTACTS IMMEDIATELY --- or refunds fees in full by return! (Usually you will receive six!).

DATALINK IS A UNIQUELY PERSONAL SERVICE...

Our system is unique because our *STAFF* --not machines --make all the final decisions ....
....We didn't *invent* computer dating ..an *American* did ...but we've certainly improved *and modernised it*.

AND NOW another First! WE NOW HAVE A GOLD SERVICE
....Whether work, studies, or divorce keep you out of the social scene longer than expected ...we have something SPECIAL just for you. (All details are sent along with Brochures).

PUT SIMPLY ....
DATALINK is a veritable National Institution ...widely respected everywhere for its honesty and integrity...
...AND ITS FRIENDLY SERVICE!
We take the hard work out of meeting people, and have a wealth of 'know-how', second to none.
You needn't live near Datalink. Quite the contrary... whether you reside in Northern Ireland, the Isle of Man, John O Groats or possibly at Lands End, we are simply a phone call from you ...ALL DAY ...even AFTER WORK --till 10.00 pm.,
We, at Datalink, are here for YOUR Service and YOUR convenience......
......Don't settle for less!

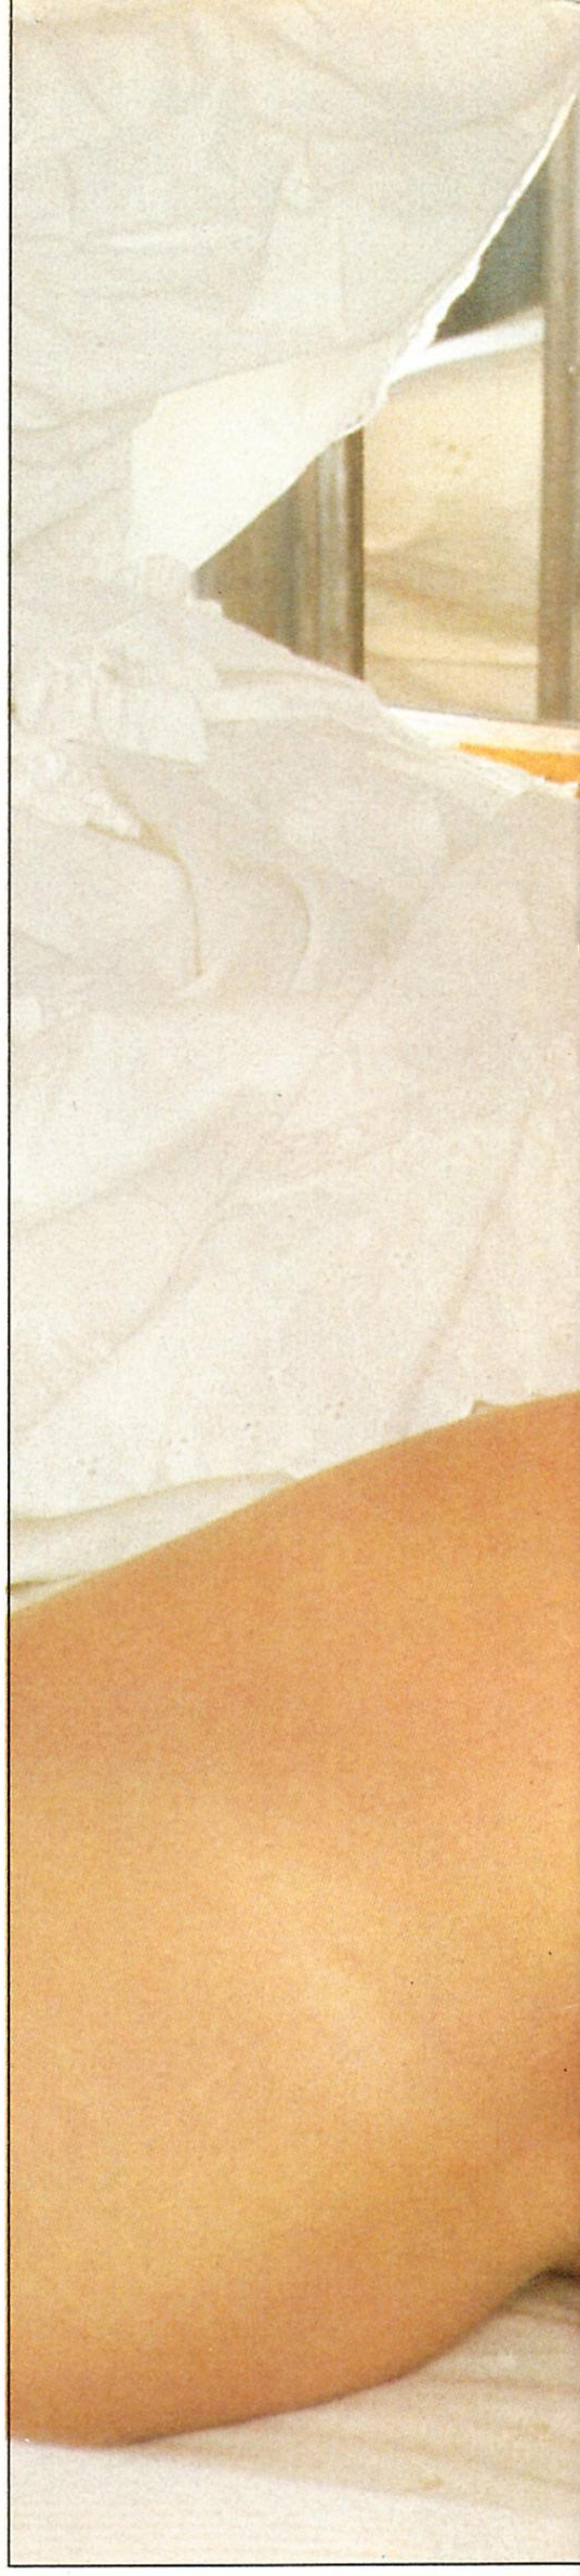
POLLY

Polly is one of the dreamiest girls we've had the pleasure to peruse for some time. Everything about her invites you to nuzzle your nose deep into her soft cleavage, and dally with her exquisite nipples. The rest of her body is pretty inviting too! Her big round boobs and open crotch are downright irresistible. Whichever way you look at Polly there's something you dearly want to feel. "I'm an

old-fashioned girl at heart you know,'' admits Polly as she gives us a cheeky wink. ''Rolling around on my big feather bed, caressing my body gently, made me feel so randy and raunchy. All those frothy white Victorian frills falling from my body excited me so much that I don't know if I'll ever recover from the experience!''

The feeling's mutual, Polly!

''I've got a very sensitive body and I love to be touched



all over. Just one fingertip in the right place and I'll do anything. That's all it takes to make me wild. All that was missing was someone to share my bed with me."

Well, a touch old-fashioned she may be but I'm sure there are a whole lot of you out there who would love to get to grips with Polly's well-fashioned tits and firm thighs in exchange for a bit of old world charm! ♣

continued from page 35

wife's dark triangle. Mary, my wife, slowly pulled my pants down. My already erect cock stood proudly waiting. I told Peter to get ready with the camera and Mary gave him a big smile, then guided my cock into the back of her throat and moved it slowly back and forward.

Peter was too stunned to take the picture. I pulled my cock out of Mary's mouth and took the camera from Peter.

''Let me do the David Bailey bit,'' I said. ''You do the modelling!'' Before he could say anything Mary had his trousers undone, pants down and his stiffening cock in her hand.

She slowly pushed her mouth over his throbbing cock. Peter shot his spunk almost immediately and Mary swallowed all of it – all but the trickle that came from the corner of her mouth. Peter collapsed on the bed, eyes closed, smiling.

He quickly sat up when Mary squeezed his balls. I suggested we chose another pose from the magazine, so I told Peter to choose a page number at random. The page he chose was perfect. Mary soon copied the photo by sitting astride Peter's hips and lowering her wet cunt down on to his restiffened cock while I moved in with the camera. She thrust up and down on Peter's prick; as she raised up I got a perfect shot of the purple head of his prick, gleaming wet with my wife's cunt juices, still half buried in her dribbling pink cunt lips. She fucked hard, completely losing herself in it. Suddenly Mary gave a series of little choking screams as she reached an orgasm and Peter came inside her. She rolled off and I pushed my dribbling cock inside her sopping wet cunt and shot my load almost before it had slithered fully in.

Peter dressed and left. Mary and I looked through the polaroids and went to bed. What a great night! – *David, Swindon* ♣

Dear Vicky,

Having seen you in Vol 17 No 11, I just had to write to you. I agree you have a superb bum but what about the rest of your body? It's absolutely gorgeous.

My fantasy about you is as follows. I am getting ready for a bath when you walk in wearing only your sexy red lingerie (I assume you have some). You undress me then tell me to get into the bath. The water is only three inches deep, but we're not really interested in getting clean!

You grab my stiff tool then slide it into your cunt, slowly moving up and down talking dirty to me. By now I'm in sheer ecstasy. I start nibbling your nipples, causing you to moan with pleasure.

Just before I release my load you grab my balls and we orgasm together. Finally we rub each other down with a towel.– *Jonathan, Gloucester*

***Let's concentrate on that rubbing down bit, Jonathan. I always like all my boyfriends to give me a good rub-down, because I love to feel that soft towel running all over my skin – especially on my bum! – and getting into all those secret places which I love my men to find. And when the towel is replaced by hands or mouth . . . Now, I hope you're as excited as I am!* – Vicky**

The Club guide to girls

7: Girls who moan

And Vernon O'Tamar, recently voted the worst girl correspondent of the year, would know all about that.

There are two sorts of girls who moan. The first sort moan like this:

''Bloody hell, my feet are killing me and what do you do about it? Sit there watching the football and I suppose you think the washing up gets done by itself and eeeh look at these stretch marks do you think I'm putting on weight well of course you wouldn't notice would you slouched there all day like a cabbage . . .''

The second sort moan like this:

''Ooooh oh oh unnh ooooh aaaah AAAH OOOOUUUUH!''

It's the second sort you want.

There's really nothing nicer than a girl who's noisy in the sack. When you're down there exercising your tongue muscles, you want to hear a bit more than the steady *squish-squish* as you slide your gums across her clit. It's that good slow build-up of groans that makes the job worthwhile – that and the way she bucks her hips when she's just going over the edge. Let's face it, we don't do this for our health, do we?

Girls can, of course, carry all this too far. Like this girl I used to know (well, I used to know a lot of girls, though most of them don't talk to me now; it's that cheap aftershave). Anyway, when my old man was nuzzling at her wet bits, and I was just pushing him over the starting line, she'd start heaving her chest like Dyno-rod were investigating her bronchial channels. Did she expect me to believe she was coming? I dunno. I mean, I've got nothing against a girl faking one – it means we all get to sleep at a decent time, for a start – but she could at least make a convincing job of it. It's only courteous.

And even if all that groaning was for real, I'm not sure I liked it that much. Maybe I've got too much of the Protestant work ethic in me, but I think you ought to sweat a bit before you get your reward. I mean, if she comes at one touch, what's the difference between me and a bicycle saddle? (We ask all the big philosophical questions here at Club, you know.)

The really loud ones can be a problem too. Central Harlesden – that's my home turf, by the way – isn't a very jumpy place, so if you've got a lot of decibels going through the old plasterboard, downstairs or next door are prone to complain. This, of course, is a good thing: if they complain about the noise of your lovemaking, all concerned will know you're having a better time than they are, and your reputation as a truly crucial lover will spread through the neighbourhood. What could be more satisfying?

Still, you don't want to carry it too far, especially if your neighbours are built on the large side. As a rough guide, when the huge fucker from next door says, ''Will she shut up or will you have some free dental extraction, matey?'' it's time to forget all those brilliant techniques you learnt at the Kidderminster School of Cunnilingus. Just stick your tongue under her clit and give her a really rough upward flick, and when her eyes fill with tears it won't be because she loves you. That'll keep her quiet for a while.

A word of warning about those moaners who get in their whingeing in bed. I mean, have you ever had a girl who'll talk about the most mundane things while you're actually on the job? There's a whole breed of these women. You're just nibbling those funny tangy bits on the inside of their labia and they say, ''I think Julie at work might be about to get the sack, you know.'' You've just got over the shock of this, and moved on to that strangely erotic patch where their leg meets their body – you know, where the wispy hairs start growing – and they say, ''I don't know why you never dry the mugs up after you've washed them. It's unhygienic, you know.''

This is not only a pretty bad condemnation of your pussy-eating technique (after all, if all they can think of is draining-boards you can't have been taking them to the brink of orgasmic ecstasy, can you?). It's also extremely rude. (If, as I was saying before, it's impolite to fake an orgasm badly, it's even more impolite to discuss domestic hygiene when a guy's chewing your privates.) But two can play at this game. The correct response is, ''Well, you smell of six week old mackerel and you've got the sexual response of an eggplant. And you're chucked.''

So, in conclusion, fellow male questers after the ultimate sub-duvet experience, girls who moan, groan, whimper and scream at the right time are a great boon to all of us. Nothing is more prone to give your old man a new lease of life than your chosen crumpet writhing over the M&S fitted sheet saying, ''Oooooh, Vern, mmmmm, harder, uh! uh! uh! yessss, just . . . now . . . Oooooh God I'm uuuuunnnnhhh!!!!'' True, innit? Take it from Vern.♣
